TO THE LADIES!

REMOVAL NOTICE.

I WISH to inform my many friends that owing to increase of business I have decided to remove to that large and commodious store

365 WATER STREET,

almost immediately opp. M. Connors' Drug Store, and next door west of Parker & Monroe's Shoe Store. The number 365 is very suggestive, as there are 365 days in the year, and my many patrons can rest assured that every minute of every day in the year will be strictly devoted to the interests of our Customers.

Outport orders attended to with promptitude and despatch. By my new system a perfect fit is guaranteed from measurements only. Last year I visited America and conferred with experts in Ladies' Tailoring who had just returned from the fashion centres of Continental Europe. So our large clientele of Lady Customers can rest assured that the last word in fashion is to be had at

THE NICKEL.

Monday and Tuesday.

Notable Indian Film:

'Red Eagle,'

(Vitagraph).

A powerful drama of the silent places.

Mingles the romance of the forest with the romance of man's heart, making a story that is big and elemental, while not lacking in sweetness and tenderness. It is an epic of the great forest of the Northwest, permeated by out of door freshness, and the glory of the struggle with nature.

See the hunt on the blazed trail. See the search for the bird of ill-omen. See the abduction and the death of the Renegade.

His First Sweetheart.

A study of child life. A great subject; simple, true and human.

Saved by Telegraphy.

Intense in interest—the dramatic situation in the vault will enthral any spectator—and its evident realism will win the approval of all Nickel goers.

TARN!

Its beautiful gorges, cascades and mountains. A Gaumont travelogue, prettily coloured.

Running Away from Fortune. A Pathe Comedy of Social Caust.
