Prescription "A"

Cures Indigestion and Dyspepsia in all its Forms.

It is quite a daily occurrence to hear persons say: Oh, what a feeling of distress I have after meals, fullness of the stomach, heaviness and headache, I feel too tired to do anything. I have no heart to exert myself, and at times I care for nothing. I often have a pain in the pit of the stomach, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a sense of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and my life seems a veritable burden.

Now, it seems a shame and a pity for persons to be suffering like that when it is in their power to get cured by taking a bottle of Dr. Stafford's Prescription A. A sure cure for persons afflicted with stomach troubles. It can be obtained at
