To-day's Messages.

LABOR'S ASSURANCE.

ST. JOHN, N.B., July 30.
The status of Overseas Dominions
and the link between Canada and
Great Britain will suffer no change
with the increasing power of labor
party in England, S. T. E. Naylor in-
formed the Imperial Press Confer-
ence delegates and their hosts at a
civic luncheon in St. John to-day.
Naylor is the representative in the
conference of the printing trades of
Great Britain, and is chairman of the
London Labor Party.

WILSON AND THE MINERS.

WASHINGTON, July 30.
President Wilson, through the
United Mine Workers of America, to-
night appealed to striking mine lab-
orers in Illinois and Indiana to re-
turn to work. Inequalities in the ex-
isting wage scale, held by strike
leaders to be the cause of the walk
out, which has closed most of the
bituminous mines in two States, may
exist, Wilson said. He added that he
would not recommend the correction
of any inequalities until strikers re-
turned to their jobs, but that when
they did so he would invite a joint
scale committee of operators and
miners to meet for the purpose of ad-
justing any such inequalities.

CLERICAL ERROR ONLY.

HALIFAX, July 30.
Dr. Macaulay, Chairman of the
Health Board, to-day characterized as
"a most unfortunate occurrence, due
to a clerical error," the insertion of
an advertisement in the public press
containing a statement that few mild
cases of cholera had developed in this
city. He said that in an advertisement
appearing to-night, the word diarrhoea
would be substituted for the word
cholera.

COUNTY OFFICIAL MURDERED.

DUBLIN, July 30.
Frank Brooke, Deputy Lieutenant
for County Wicklow, Leinster, was
shot dead at West Landow Station in
Dublin this morning, just after alight-
ing from a train. His assailant es-
caped.

ORANGE HALL ATTACKED.

BELFAST, July 31.
Sinn Feiners stormed the Lyceum
Orange Hall near Strangford, County
Down, yesterday, smashing windows
and doors and damaging property in-
side.

VICE-ROYALTY AT SYDNEY.

SYDNEY, July 31.
The Duke of Devonshire and other
members of the Vice-Regal party ar-
rived here late last night. An informal
reception will be held in Wentworth
Park to-day.

DECLINE IN GRAIN PRICES.

CHICAGO, July 31.
For first time since the ending of
Federal government control of the
wheat market, wheat has been sold
Chicago at less than \$2.23 per bushel,
a price which last year was guaran-
teed by Congress. Corn, oats and pro-
visions declined in sympathy with
wheat but kept within normal limits.

CANADIAN CHALLENGE MOOTED.

SYDNEY, N.S., July 31.
The Yacht Clubs of Nova Scotia will
challenge the defender of America's
Cup, if the suggestion as laid down by
A. C. Ross, former M.P. of Victoria
and North Cape Breton, but now of
Montreal, is followed out. Mr. Ross
would like to see yacht clubs of this
province combine and secure a chal-
lenger and place their defiance in the
hands of the New York Yacht Club.

HISTORIC FORT BURNED.

BELFAST, July 31.
Charlemont Fort, erected in the
reign of Queen Elizabeth, on the first
entry of English soldiers into Tyrone,
was burned by armed raiders early
this morning. The building, which
overlooked the River Blackwater, was
long occupied by the Charlemont fam-
ily, members of which founded the
Irish Volunteers at the time of the
American War of Independence. It
was used latterly by the Government
as a military stronghold.

DISARMED MILITARY PICKET.

DUBLIN, July 31.
Three soldiers and three Sinn Fein-
ers were wounded Thursday night,
when a body of the latter disarmed
a detail of military police in the heart
of Dublin. The coup was said to have
been the most audacious an desperat-
one that the Sinn Feiners have ac-
complished in the matter of disarming
military. Military police are posted
at Trinity College and at the Bank of
Ireland, opposite the center of Dublin
traffic, and within view of the prin-
cipal Dublin Police Station. In the dis-
order last night, about ten Sinn Fein-
ers held up a picket at the Bank and
completely disarmed them, took away
their revolvers, and then mingled un-
concernedly in the crowds emerging
from the Theatre Royal. During the
scuffle three soldiers were wounded by
discharges from their comrades' rifles,
and three of their assailants were
slightly wounded.
