**Christmas Photographs.**  
Santa Claus never starts out on his  
Christmas Eve round of the world's  
chimney pots without a supply of  
photographic portraits. The reason is  
not far to seek. Few gifts are so well-  
come, for no gifts come from near-  
er the heart. And a nice thing about  
photographs is that they are not as-  
sociated with pecuniary value. But you  
cannot fare forth the day before Xmas  
to have your photograph taken and ex-  
pect it to be in the pack of Santa Claus  
that evening. Photographers are only  
human, even when they rank in the  
genius class, and just before Xmas is  
their crowded time of the year. If you  
are going to have your photograph  
taken, DO IT NOW, they will be ready  
for you.

Slide open every night.  
Don't leave your selection of Xmas  
Cards and Calendars too late, our  
stock is moving out rapidly.
