Despatches to the Evening Mercury.

LONDON, 13th.—A meeting has been held here to-day, for the purpose of relieving the sufferers by the earthquake in South America. The Lord Mayor presided. Among the prominent persons who took a part in the proceedings were the Governor of the Bank of England, the Rothschilds and Barings. Nearly £7,000 was raised.

The Junta has seized the property of the Jesuits and abolished the order.

MADRID, 13th.—The Junta has issued another circular urging the extinction of all religious corporations. Internal taxes on home and foreign wares have been abolished.

PARIS, 13th.—The following Spanish news has been received: Gen. Prim has written to the Emperor Napoleon stating that the provisional Junta desires close relations with France. They prefer a ruler who will be acceptable to France and to Europe. The provinces of Barcelona and Valencia, being strongly protectionists, hesitate to recognize the Junta.

LONDON, Oct. 13.—Despatches from Madrid state that general interest is manifested in Cuba in regard to the representation of the Island in the government of Spain, and also in regard to the abolition of slavery and the action of the constitutional Cortez on these questions is awaited with great anxiety. The Ministers promise Cuba equal liberties with Spain.

MADRID, Oct. 13.—The Provisional Junta is sure of the adhesion of Lersundi, the Captain Genl. of Cuba. Despatches were sent to him by the steamer which left Cadiz on the 2nd, which, it is believed, will remove all doubt and hesitation on his part of the course to be pursued.

LONDON, Oct. 13.—Mr. Gladstone commenced the political canvass in Lancashire with an address at Warrington, in which he denounced the Tories for their bad financial policy, and for their course in the Irish Church question.

LONDON, Oct. 13.—The Daily News this morning says, there is no doubt the protocol of the treaty proposed by the American representative will be approved by the English Parliament, and the American Congress. It is announced that the British mails will not go forward by the Hamburg line after the 30th inst.

CARD.

To Friends & Strangers.

AFTER an experience of over four years in selling the New York Union Piano Company's Pianos, (made under the direction of J. P. Hale at the corner of 10th Avenue and 36th Street, New York,) with the instruments of some of the other leading manufacturers, we have decided to drop all others and continue our sales to the

Union Pianos!

Being fully satisfied, after having sold over 800 of these splendid instruments in New York, Cincinnati and St. Louis, that they are the finest toned and most durable Pianos now made. They have given us and our agents less trouble than any Pianos we have ever dealt in, and we would invite both dealers and customers to try them in preference to any other now made. THEY ARE SUPERIOR INSTRUMENTS.

PHILIP PHILIPS & CO.,
Music Dealers,
New York, Cincinnati and St. Louis.

About 5,000 of the above Pianos are now in use giving entire satisfaction. Samples constantly on hand at the subscriber's Music Store, opposite the Market, Guelph, at 22 per cent. less than other good imported instruments. Also, the best Melodions and Cabinet Organs.
