Death of a Former Londoner.

Richard Baker died this (Thursday) morning at the residence of his brother, James Baker aged 45 years. Deceased came to British Columbia in 1865, from London, Ont., where he was born, and resided for three years in Carriboo. Afterwards he came to Victoria, and has ever since been engaged in teaming in this city. For the past ten or twelve years deceased has been in poor health. He was never married and lived with his brother James Baker. Mr. Michael Baker of Yates street, is also a brother. His friends have the sympathy of the public.—[Victoria, B. C., Times.

Siegert & Sons.

It is no Wonder that invalids lose faith in all specifics, when so many worthless medicines are advertised tocure various diseases, but which, when tried, are "found wanting." We have yet to learn, however, of the first failure of Dr. WISTAR'S BAISAM OF WILD CHERRY to cure coughs and pulmonary disease.

(No. 4) \$2,900.

Each of the tenders was accompanied by a monster roll of details, which the committee decided not to handle until the Engineer should have an opportunity of digesting them for the committee's benefit. A meeting will be called this evening, when the contract will in all probability be awarded.

CONTRACTORS MUST HURRY. Business Transacted by Number Tw Committee of the Board of Edu-cation.

No. 2 Committee of the Board of Education met last evening. Present: Trustees Jeffrey (in the chair), Dewar, Brady, Cook, Childs, Craig, Durdin and Overseer Dodds. Several petitions for appointment as janitors were filed for reference.

It was resolved that the resolution passed on July 21 be reported to the Board. Trustee Childs asid he had arranged with Mr. John Ferguson to act as janitor in the East End Town Hall for \$15 per month. The action was approved.

Trustee Childs moved that a special committee be appointed to ascertain how much coke may be used with the coal at schools to obtain greater heat at less expense, and to report to the Board. Carried.

The usual number of accounts were passed. No. 2 Committee of the Board of Educa

Manufacturing Company, waterioo, by some members of the Board, the account should pass. In future such action will not be used[as a precedent in the purchase of surplies. Carried.

Trustec Cook moved that the organization of the cadet corps at the Collegiate Institute be approved and recommended to the Board. Trustec Childs moved in amendment that action be deferred for twelve months. Mr. Cook's motion carried.

Trustec Dowar moved that the Inspector be empowered to instruct contractors at the different city schools that unless the work they have undertaken be completed by the time mentioned in the specifications under which the contract was awarded, steps will be taken to have such work on each school the contract was signed. Carried.

Trustec Childs moved that the Chapman bell be relegated to the Lorne avenue school.

l be relegated to the Lorne avenue school

THE TENDERS OPENED.

Number Three Committee Break the Seals, but Dolay Awarding the Contract for Electric Lighting.

Contract for Electric Lighting.

A meeting of No. 3 Committee was held last evening for the purpose of awarding the contracts for lighting the city by electricity. The tollowing members were present: Aldermen Boyd (chairman), Heaman, Wallace, Bartlett, Shaw and Fitzgerald, with Engineer Tracy in the role of secretary. A recommendation was read from the Council urging that the Engineer proceed with the erection of poles for the completion of the fire alarm system in Ward No. 6. On advice of Ald. Boyd the communication was laid on the table, as it will be possible to utilize the poles of the electric light and telephone companies when they are erected. A communication from the tenants of the market bazar asking that the gas lamps in the bazar be lighted was received. The committee decided to grant the request.

A telegram was received from the McKeegon-Miln Company, of Montreal, general agents of the Crompton Company, (limited), of London, England, stating that the tiplans and specifications had only been received that day (Thursday). They were

ion of the committee.
The specifications under which the companies were required to tender were:
Plan No. 1, 210 lights of 2,000 candle power.
Plan No. 2, 306 lights of 1,000 candle power.
Plan No. 3, 100 lights of 1,000 candle power.
Plan No. 4, 180 lights of 1,000 candle power.
