THE WEATHER PROPHET.
TORONTO, June 19-11 p.m.—The pressure to-
night is below normal and very uniform
throughout the continent. A few local showers
have occurred in Southern Ontario and the
Quebec Valley; elsewhere the weather has
been fine. Minimum and maximum tempera-
tures: Edmonton, 49-73; Q. Appelle, 52-65;
Winnipeg, 52-67; Toronto, 57-61; Montreal,
56-71.

Local temperatures—Highest, 69; lowest, 60.
TODAY'S PROBABILITIES.
TORONTO, June 19-11 a.m.—The indications
for the next 24 hours for the lower lake region
covering the peninsula and as far east as
Belleville are: Light to moderate variable
winds; fine and warm.

Who is this gent? The ladies ask,
"That almost every day,
With style superb and noble air
Comes sauntering this way."

The "boys" with jealous envy swear,
And own he beats them flat;
The secret is he dropped in here
And bought a **STYLISH HAT.**

Which has imparted such an aristocratic air
To the gentleman that he looks like a million-
aire.

We have some of the same kind left.

LONDON AND ENVIRONS.

—In marriage, if the right one you are led to,
There's nothing like it;
And, also, if the wrong one you are wed to,
There's nothing like it!

—The block paving of the approach to
the sixth ward fire hall was commenced
yesterday afternoon.

—Knox Presbyterian Sunday school and
South London Baptist Sunday school will
picnic at Port Stanley on July 24.

—The last issue of the Canadian Grocer
devotes a page to a description of the life
and successful business career of Mr. M.
Masurel, of this city. In the center of the
article is a large photo-engraving of the
gentleman of whom the article speaks.

—An Ottawa dispatch says: "A funny
incident happened in the Toronto sleeper
yesterday. Mr. Henderson, the Conser-
vative member for Ottawa, mistook the
Hon. David Mills' boots for his own and
walked off with them, and the Opposition
orator arrived at the House of Commons in
Tory boots."

—Notwithstanding the unpromising
weather Thursday evening a large crowd at-
tended the lawn social given by the Young
People's Helping Society of Queen's Avenue
Methodist Church at the residence of Mr.
Geo. Robinson, St. James street. Refresh-
ments in the shape of strawberries, ice
cream and lemonade were served by the
ladies in the best of style. The society is
to be congratulated upon the financial
success which attended their efforts.

—Umpire Phil Powers is in the city.

—Wm. J. Clark, solicitor, etc., has re-
moved his office to 204 Dundas street.

—Flower thieves are operating in various
parts of the city. It is a pity an example
cannot be made of one or two of them.

—T. H. Parish, son of Geo. Parish, this
city, an old London boy, who is in the office
of the secretary of the postoffice depart-
ment, Ottawa, is home on a short visit.

—The many friends of Mr. Oliver Hobbs,
formerly of this city, will be pleased to
hear that he has secured the position of
head man, in the silk and satin department
of a large drygoods house in St. Louis, Mo.

—The London Retail Grocers' Association
has deferred consideration of the question of
closing stores at 7 p.m. on all days except
Sundays. The grocers' picnic will be held
at Queen's Park on July 22. All the city
grocers will close at 1 o'clock on that day.

—A man who has shade trees in front of
his premises does not like to have those
trees butchered, but still there should be
some method of looking after the many
straggling branches which now impede
traffic on the roadways and sidewalks of
this city of regard for public convenience
and safety.

—A citizen writes: "The habit which some
men have of smoking vigorously in the im-
mediate vicinity of the Victoria Park band
stand on concert nights should not be per-
mitted. Frequently men sit and puff fumes
from a pipe the entire evening with ladies
on the same bench and standing within
few feet of them. They should at least
keep out of the crowded portion of the park
on such occasions."

—The publishers of *Printers' Ink*, New
York, the well-known journal for adver-
tisers, a few months ago offered 36 cash
prizes to the newspapers of the continent
for bright and quotable expressions regard-
ing *Printers' Ink*. There were 711 news-
papers in the competition, and the prize-
winners have just been announced. The
highest prize was awarded to Cameron
Brown, city editor of the *London Adver-*
tiser, for an article written by him which
appeared in this paper. The *Advertiser*
is the only Canadian paper which secured
mention in the competition.

—At Ongeode Hall yesterday, in the case
of Windt vs. Campbell, W. R. Meredith,
Q.C., for the defendants, moved to set aside
the judgment for the plaintiff for the
sum of \$510, and to dismiss the action or for
a new trial or to reduce the verdict by \$60
in an action tried before Street, J., and a
jury the last Toronto Assizes. This was
an action by a Toronto livery-stable keeper
against a London carriage-maker and his
son for damages for the wrongful seizure
and sale of a coupe and a Victoria sold by
the defendants to the plaintiff under a con-
ditional sale agreement, whereby the prop-
erty was not to pass till paid for. The
ground upon which the plaintiff succeeded
was that the defendants had sold the car-
riages at once after the seizure and
without waiting for twenty days, as re-
quired by sec. 4 of the Conditional Sales
Act, 57 Vic., chap. 19 (Ont.). J. G.
Holmes, for the plaintiff, contra. Reserved.

A Delightful Holiday Spot.
No more attractive holiday resort can be
found on the continent than the Lake St.
John (Que.) region. It is now easily
reached by the Quebec and Lake St. John
Railway, which runs through a country of
rugged grandeur such as is rarely met
with in America. At its end
is a fine sheet of water, and such
fishing! It is a veritable sportsman's pa-
radise, and all free to the patrons of the line.
When required, ample hotel accommodation
can easily be obtained at Roberval, on Lake
St. John, and steamer, canoe and other
conveyances are readily obtainable. West-
ern Ontario men who have visited the
neighborhood were delighted with their
entertainment and brought away many
trophies of rod and gun, and not a few fish
stories. Time tables, illustrated guides, etc.,
are sent on application by Alex.
Hardy, general freight and passenger agent,
Quebec.

The Board of Works.
At the meeting of No. 2 Committee of the
City Council held Thursday night the fol-
lowing business was transacted: The petition
of Garfield avenue residents for a sidewalk
was filed. Tenders will be called for arti-
ficial stone walk on York street from
Adelaide to William. George Cox's claim
for injuries to his wife through a defective
bridge on English street was referred to
Ald. Bartlett and the engineer. Wm.
Montgomery's complaint of the condition of King
street in front of his property will be
attended to by Ald. Winnett and the
engineer. The East End hall janitors,
Mrs. Ferguson, resigned, and T. Edwards
was given the job at the old salary. A
tender at \$54 for a flag-staff in Victoria
Park was accepted. Ex-Ald. Murray
Anderson suggested that when Dundas
street is block-paved the present cobble-
stone gutters be permitted to remain. The
tender of C. Beckett for cedar-block-paving
north Richmond street at 65¢ cents per
yard was accepted, being the lowest of eight
which were opened. The passing of the
pay sheets and a few minor matters were
then attended to, and the committee ad-
journed. Those present were Aldermen
Connor (chairman), Searrow, Shaw, Win-
nett, O'Meara and Bartlett.

Then and Now.
In ancient days for many an ill
We used to take a big blue pill,
It did so surely tear and gripe
We felt for purgative ripe.

To-day, when sick, we take Dr. Pierce's
Pleasant Pellets. They are gently aperient
strongly cathartic, according to taste of dose.
Cures Sick Headache, Bilious Headache, Con-
stipation, Indigestion, Biliary Attacks and
all derangements of the Liver, Stomach and
Bowels. Put up in pills, hermetically
sealed, hence always fresh and reliable.
Purely vegetable, they operate without
disturbance to the system, diet or occupa-
tion. Sold by druggists at 25 cents a vial.

—Walter Raleigh introduced the use of
tobacco in Europe centuries ago, but if he
could to-day smoke a Highland kiltie cigar
manufactured by H. H. H. & Co., Lon-
don, he would not consider himself
one of the greatest of public benefactors. It
is a five-cent cigar and has a superior on the
market. The composition of the choice
nature, the workmanship of the best and
also flavor delicious. Try them.

LONDON, ONT.
ORDERS PROMPTLY DELIVERED

WHY NOT?

You have corns, warts, bunions, moles or
cancers. Why are they not cured? You ask a
reasonable question. It demands a candid
answer. You have it here. You bought a
corn cure. You thought you had Barkwell's,
but it was not the genuine. You got a counter-
feit. It was no more use than water. We
missed the sale of what you wanted. So far,
it is your money gone out money goes too.
You got another and think it is the genuine.
You have made a mistake, and we are in dis-
grace. More of your money's gone more of
our money is gone. Your corns are no better;
our reputation no better. You make
up your mind they cannot be cured.
We have lost a customer. You have
got hold of the wrong end of the
stick. You have got hold of the wrong bottle.
Barkwell's money is gone. Not only our
money is gone, but our opinions of one
another are wrong. We don't know you by
sight or name. You don't know us. We think
"how dull you are to get an imitation when
you might as well get Barkwell's Sure Corn
Cure." And you think "what fools the manu-
facturers of that corn cure are to cheat so."
Let's get acquainted with one another. Let's
get acquainted with Barkwell's Sure Corn
Cure. The manufacturer is both unboastful and
you call him by. And you can't help it. Come
on. Nobody deals more handsomely. Nobody
ever loses a cent by getting Barkwell's Sure
Corn Cure, but they always lose a corn. We
manufacture these corn cures from these in-
fernal counterfeiters. Neither do you with
Barkwell's Sure Corn Cure. ywt
