THIS CLASSIFIED AD. SALE, which closes Saturday, April 30, contains many values that can never be repeated. Most of the articles advertised are odd pieces that cannot be replaced by the factories, being discontinued lines. The prices quoted are in the majority of cases the prices of pre-war days. Now that spring is here with all its attendant cheerfulness and joy, we have decided to take this sale in the interest of your own pocketbook. Read over this page carefully and pick out the items you need.

YOU HAVE STILL A CHANCE TO win the free MOFFAT GAS range, by sending in your answer to our competition. For the benefit of those who have missed reading about this in our advertisements, we give the following information. Make up a sentence, referring to our store or to letters contained in our name—THOMAS' FURNITURE CO. No other letters must be used other than those found in our name, but you can use each letter as many times as you wish. Here's an example: "The Home of Furniture." There isn't any doubt that you can do better than this. Try it, it's great fun. The competition closes Saturday, 30th April, at 10 p.m. Mr. T. H. Yull of the Federal Advertising Agency, Limited, will act as judge and award the gas range. His decision is absolutely final.
