

Western 'U.' C.O.T.C. Enters Garrison Sport Ball League, Making 9 Teams

DOUBLE HEADER OPENS CIRCUIT ON NOV. 29TH

Enthusiasm in Militia Circles Over Garrison Sport Program for Winter Months.

November 29 sees the Garrison Inter-Militia League open with a double-header, R. C. R. and the First Militia, and Headquarters Clerks and Field Battery will provide the last of the opening festivities. This decision at a meeting held last night.

G. O. C. To Open League.
General Planet, G. O. C. M.D. No. 1, will open the league by pitching the first ball, and Mayor Little will probably be on the receiving end.

All the units are busy mustering teams from their enlistments, and from all accounts when this league gets going properly, the old days when London Garrison teams used to cut quite a figure in soft ball circles of the province will be forgotten.

Good Lighting.
Special attention is being paid to the lighting arrangements for the games, and there should be no kicks from the darkness when the lights are turned on. A feature this year will be the introduction of a new ball for each game, the winning team getting it as spoils of war.

Hockey and Basketball.
Hockey was broached at last night's meeting, but nothing was done. This league, however, will be organized as a winter league, and will be played in the barracks as an open air rink will be gone ahead with. It is possible to light the square games will be played at night, otherwise, only Saturday afternoon games will be played.

Postpone Checker Match.
Hockey, Mass., Nov. 15.—Postponed until Jan. 2 of the world's championship checker match at Glasgow, Scotland, between Newell W. Banks of Detroit and Robert Stewart of Glasgow, was announced in a dispatch from Glasgow today. The match was to have been held here early next month.

Hugh Jennings Once Said:

"BILLY EVANS is the best college baseball player I ever saw." That was when Hughy was a Cornell coach and Evans was on the varsity.

Scores of diamond stars have told Evans, during the 16 years as a big league umpire, that he was the best arbiter in the game.

And hundreds of fans have written to him, complimenting him on the authoritative stories on boxing, bowling, football and other sports that he has written for leading newspapers of the country.

Evans is an authority on ALL sports. That's why The Advertiser has signed him up to write daily about sports. He'll give London fans the INSIDE STORY on what's going on in the sporting world.

Read his Advertiser stories every day! There'll be one tomorrow.

Aggies Beaten By Varsity Meds in Mulock Cup Game

HOYT'S GOAT WAS AT HOME

University of Baseball. If you have your doubts, peruse the following bit of world series reports.

During the series the members of the Giants did not take kindly to the way

Waiter Hoyt, star twirler of the New York Americans, comes from one of the first families of Brooklyn. Waiter is a graduate of the exclusive Erasmus School, where he gets the advantage of a liberal education in the

Hoyt, a former Giant himself, was fooling the team at the plate. Casey Stengel, a Giant bench warmer, was evidently delegated to get Hoyt's goat. Stengel usually employs unique methods. As Hoyt was walking back to the Yankee bench after being thrown out first, Stengel tossed a small package at Hoyt, which fell at his feet. Hoyt picked it up, opened the package, and extracted therefrom a small cake of highly perfumed soap.

Immediately he was the target for a "razzing" from the Giant bench, with Stengel acting as cheer leader. Hoyt, however, proved equal to the occasion. The son of one of Brooklyn's first families hurled the soap back at the Giant's bench. His perfect control with him, the cake striking Stengel on the leg, and with it came these choice words:

"Go wash your neck, Stengel."

That silenced Casey for the rest of the series.

It looks from this angle as if the London Manufacturers' Athletic Association would be wise in grabbing off the control of boxing in the city. While the city has a big winter sports program, there is plenty of room for amateur boxing conducted, as it would be, under M. A. A. auspices. No sport brings out any better qualities in man or boy than the many art as it is played in an amateur way, and past experience shows that there is a demand for the pastime.

Boxing will likely get its place on Western's Sport schedule next year. O. A. C. has always been prominent in inter-collegiate ring and mat contests, and there is no reason why Western couldn't develop a creditable string of amateur mittmen.

There are fewer arguments heard now against boxing than formerly, that is as a brutal sport. Any number of games are more brutal than a few rounds of boxing to a decision, and there is even less chance of unsportsmanlike conduct in the ring than there is on the gridiron or basketball floor. And the best part of the pastime is that it isn't a melting pot as a sport. It's pure Anglo-Saxon.

The Hunter dragged a weary foot. Through miles and miles of mire. And never saw a thing to shoot. He surely roused his ire.

Tonight at Windsor it will be determined whether the day Soldier Jones signed up for Tommy Gibbons was his lucky day or not.

Horseback riding may be a great exercise, but it was the horse that first found it out.

Shaughnessy of McGill received some bad news yesterday. Eight of his players are graduating. Tuft, Shag doesn't think we're bad.

"Personal equation affects pugilists," a Toronto writer discovers. It's personal negotiation with most of the fighters we ever heard of.

George Maines is now making his home in Toronto. He is a contributor to a new sporting sheet under Joe Jackson's old caption, "Strolling Through Sportsland."

A lot of fans have had a big sigh of relief last night. Lou Marsh of the Toronto Star has declared Argos as winners. There seems nothing for Varsity to do under the circumstances but give the game to Argos.

Coach Frank Shaughnessy of McGill suggests the adoption by the Canadian Rugby Union of the forward pass as in the U. S. game and also unlimited interference on the line of scrimmage. "Shag" believes that the only changes in the present rules should be towards the end of adding strength to the attack. Running interference, he says, destroys the possibility of any open field running, and would thus spoil the game from a spectator's viewpoint.

As should the four downs as used in the game played across the border. Giving the attacking team four downs to make their yards tends to smother the ball in a series of massed line plunges, and places too much importance on weight rather than on speed. Strengthening the position of the team on the offensive by the

CHICAGO, Nov. 15.—Ora Morningstar, the star player of San Diego, Cal., today defeated Edouard Horemans, champion of Belgium, 400 to 171, in a world-wide 15.2 ballline billiard championship tournament. Morningstar had a run of 145, while Horemans had two runs of 60 and 62.

MORINGSTAR ELIMINATES HOREMANS 400 TO 171

CHICAGO, Nov. 15.—Ora Morningstar, the star player of San Diego, Cal., today defeated Edouard Horemans, champion of Belgium, 400 to 171, in a world-wide 15.2 ballline billiard championship tournament. Morningstar had a run of 145, while Horemans had two runs of 60 and 62.

O.A.C., HOME, SIX POINTS BEHIND

Guelph Boys Held Medicos to Tie of 1-All First Period.

TORONTO, Nov. 15.—Senior Meds will carry a six-point lead to Guelph for the return game with the O. A. C. in the Mulock Cup semi-finals on Saturday. In the first game played this afternoon on the University of Toronto campus the Meds vanquished the O. A. C. second team, 7 to 0.

The teams line-up as follows:
O. A. C. II.—Flying wing, Ziegler; halfbacks, Present, T. Smith and Hargrave; quarterback, C. Smith; snapbacks, Shepherd; insides, Tolton and Beattie; middle wings, Richmond and Hamilton; Referee, J. H. Foster; spurs, Moran, Haddon, Dickson and C. W. Smith.

Senior Meds.—Flying wing, Gault; halfbacks, Allen, Luke and Everest; quarterback, Harkins; snapback, Allan; insides, Swan and Mahaffey; middle wings, Hargrave, Trux and Pauley; spurs, Gatz, Balantyne, Keith, Olderson, Oates and Carswell.

Referee—J. H. Foster.

First Period.
The game was played on a greasy surface, but, despite the treacherous footing, both sides played fast rugby in the initial period, which ended with the score one all. O. A. C. won the toss and kicked with the wind. The Meds were speedily driven on the defensive, but their halves, particularly Allen, kept everything in the line of high and lofty that came their way, and it was not until the period was well advanced that the "Farmers" could get a chance to kick.

Boeing was wide, and a rouge resulted. On the resumption of play Meds came to life with a vengeance, and just as the whistle blew Allan booted to the dead line for a single, making the score one all.

Second Period.
In the second period the play was largely in the O. A. C. half. The Meds were speedily driven on the defensive, but their halves, particularly Allen, kept everything in the line of high and lofty that came their way, and it was not until the period was well advanced that the "Farmers" could get a chance to kick.

Boeing was wide, and a rouge resulted. On the resumption of play Meds came to life with a vengeance, and just as the whistle blew Allan booted to the dead line for a single, making the score one all.

Third Period.
In the third period the Meds had much the better of the play, but a long kick for one point was the best that they could do.

Fourth Period.
In the fourth with the wind behind them, the Meds added three more points to their total, making the final score 7 to 1.

INGERSOLL TO HAVE JUNIOR AND INTERMEDIATE TEAMS

Training Will Start Soon Under A. T. Stirling.

INGERSOLL, Nov. 15.—The meeting called tonight of the key supporters was largely attended and very enthusiastic. It was decided to enter both junior and intermediate teams, and to start active training at once under A. T. Stirling, an experienced trainer, who has been engaged to take charge of the boys. A large number of intermediate players have signified their intention of turning out, and although there are no experienced players, there is an abundance of material to choose from. From the present outlook a prosperous hockey season is anticipated.

SHEVLIN REGAINS TITLE.

Boston Mass., Nov. 15.—Edgie Shevlin, of the Roxbury district, regained the New England water-weight title when he won a ten-round decision bout from Mike Morley of Hartford, Conn. Shevlin is boxing instructor at Dartmouth College.

ELECTS HOCKEY OFFICERS.

PORT ARTHUR, Nov. 15.—R. C. Chambers of Port William is the 1921 president of the Thunder Bay Hockey League, and H. J. Smith, secretary. Composition of the senior series has not yet been determined.

WINNIPEG CURLER DIES.

Winnipeg, Nov. 16.—James G. Russell, aged 62, a native of Scotland, who built and operated the first curling rink in Winnipeg, died yesterday. He was a well-known local curler.

BUFF'S YEARS DON'T COUNT

Johnny Buff is one of the few boxers who is the holder of two titles. Buff is only the bantam champion but the flyweight as well. Buff was the holder of the flyweight title when he met Pete Herman and won the bantam crown. The fact that Buff is thirty-one years old makes a lot of people doubtful as to his ability to retain the bantam crown any great length of time. It is figured that his years will make him easy prey for some of the younger bantams.

Those who see disaster ahead for Buff fall to take into consideration the manner of life which he leads. The gay white way has no appeal for the new champion. He much prefers his own private life.

Buff is married and the father of three children. It is customary for most fighters to break training in a more forcible manner after winning a title. Not so with Buff. It is a rather amusing fact that he celebrated his victory over Herman by rowing from the Jersey shore the day after the fight to a spot near the Statue of Liberty, where he spent the day fishing for crabs.

Those who are predicting trouble for Buff should remember that Johnny Kibane at 32 is still the class of the featherweight division, and that Jack Britton at 36 has no trouble holding his title against the rest of the welterweights.—R. E.

SARNIA 12 READY FOR HARD OILS

District Championship Honors at Stake Today.

SARNIA, Nov. 15.—Everything is in readiness for the Sarnia-Petrolia district rugby championship game here today. The Sarnia team, which has been declared by the merchants, and one of the largest turnouts of the year is anticipated.

Manager "Polly" Parrott announced Tuesday that he would likely have a somewhat shifty line-up to throw into Wednesday's game.

After the Hard Oils lost here they had a combination to suit themselves. Wilson went back to his old hunting policy, Houston was shoved from end to the half line, Jack Gailvan was perched on an end, Hopper put in at quarter, and Frank Smith moved from middle wing to snap.

BRANTFORD ASKS TO BE IN GROUP WITH PORT DOVER

Intermediates Will Organize Wednesday Evening.

BRANTFORD, Nov. 15.—It is suggested here that efforts be made to have Port Dover play in the same hockey group as Brantford. Port Dover is only a 50-minute ride from Brantford on a direct run, and getting the fact that the players on the circuit are ready to benefit.

With the Dover team, the Simcoe Stewards, Port Dover, the Brantford Intermediates, and the Port Dover Intermediates, a four-team circuit, satisfaction could be given all round. Port Dover could forward a trial from the players who were with the town league last year and the other three clubs had intermediate aggregations last year.

It is expected that a number of last year's officers will be able to take an active part in the organization here this year, so that a new executive will have to be appointed at Wednesday night's meeting.

GALT U.F.O.-LABOR MAN SPEAKS TWICE IN NIGHT

Carries Fight for Re-Election Into Two Towns.

[Special to The Advertiser.]
GALT, Nov. 15.—William Elliott, the U. F. O.-Labor candidate opposed to P. S. Gault, Conservative, and seeking re-election in South Waterloo, is putting up a stubborn fight for the honors. Tonight in Hespeler and Galt he held meetings. The meeting here at the city hall was attended by a capacity crowd, many being unable to gain admittance. Dr. James McQueen, ex-Liberal M.P.P. for North Waterloo, now a resident of Galt, was the chairman. Dr. Salem Bland of Broadway, Tabernacle, Toronto, was the principal speaker. H. G. Foster, prominent Hamilton labor man, made a strong appeal to the workmen and K. K. Homuth, M.P.P., also spoke. Mr. Homuth, one of the youngest politicians in Ontario, has been working hard for Mr. Elliott.

MCFIGUE MEETS SMITH IN NEW YORK DEC. 6

MONTREAL, Nov. 15.—Tommy Conway, boxing promoter of this city, left for New York tonight with the name of Mike McFigue of New York and Half-Hearted, middleweight champion of Canada, on a contract which calls for him to meet Jeff Smith at the St. Denis Theatre within a month, and it is possible on Dec. 6, Mr. Conway will try to get Jeff Smith also definitely signed up. Al Lippe, Smith's manager, has claimed he is ready to sign, but has not put any cash forfeit up with the local promoter. An effort will be made to have Harry Eder, referee in the Dempsey-Carpenter match, handle the bout.

TAKE STEPS TO START HOCKEY IN ST. THOMAS

Organization Meeting Will Be Held Wednesday Evening.

DISCUSS CONTROL SYSTEM

Railroad City Intermediate Team Starts Training Soon.

ST. THOMAS, Nov. 15.—The prevalent winter atmosphere has set the hockey machine in action and no time is being lost by the management of the Intermediate O. H. A. team. Preparations for a team are well under way and indications point to something starting when the season is opened in earnest.

The formation of a city hockey league has been definitely decided upon and a meeting has been called for this purpose Wednesday night. Organizations such as the Citizens' Regiment, Nursery Shoe Company, Tailor Club Clerks and Bankers are asked to send representatives so that the league can be formed with a schedule drawn up as soon as possible.

The success of hockey in St. Thomas this season and in coming years will depend largely on the enthusiasm exhibited now. There should be little trouble in stirring up sufficient pep in the business concerns of the city to formulate a four-team hockey league in the city. This league, if properly started, will be a source from which O. H. A. players will develop in the year. It is expected that the O. H. A. aspirants will participate in the city league. The players will be evenly distributed among the crews receiving a berth in the league.

Other important business will be these. Delegates from all branches of sport are appealed to be on hand as the much-mooted St. Thomas Amateur Athletic Association will be held over certain steps taken to advance the movement considerably. Arthur Barrett, manager of this year's hockey club, and who has taken an active interest in all sports for many years, heartily endorses the project. He sees untold advantages in such a body and feels that it would help the hockey situation very much this season.

The intermediate team will commence practice in coming days, the work-out will be decided upon at Wednesday night's meeting. It is believed that when the time comes to approach the Kiwanis Club and the Chamber of Commerce that they will co-operate with this winter's sport.

WINNIPEG FAVORS TWO SOCCER ASSOCIATIONS

Winnipeg, Nov. 16.—With reference to the Winnipeg Football Association for the formation of a new dominion football association to replace the present soccer body, Winnipeg manager has taken a proposal with a view to form two big associations within the present D. F. A. with control over east and west respectively. The Winnipeg manager has taken a proposal with a view to form two big associations within the present D. F. A. with control over east and west respectively. The Winnipeg manager has taken a proposal with a view to form two big associations within the present D. F. A. with control over east and west respectively.

QUEBEC TO AGAIN TAKE UP PROVINCIAL HOCKEY

Quebec, Nov. 16.—(Canadian Press).—Provincial hockey will make its appearance in Quebec again after a lapse of several years, as a result of a meeting last night.

There will be four clubs in the league. Chateaux, Grand Hotel, La Tuque and Voltigeurs of Quebec.

A constitution was drawn up and adopted and the league will make application for admission to the C. A. H. A.

HAMILTON M.-O. LEAGUERS MUST GET NEW GROUNDS

Hamilton, Ont., Nov. 15.—The Hamilton Michigan-Ontario League team will be without a home next season unless the directors manage to raise enough money to erect a new ball park before the season opens in May.

According to the directors of the H. A. A. there is positively no possibility of the club securing the Charlton avenue grounds for another season, the great demand on the grounds for amateur sport making it impossible to lease them to the ball club.

PISTON RINGS

As usual, you get the best from MARK McQuay, Norris, Super-Royal and Leakproof.
