LAN FURTHER ENTERPRISES.

Much gratification was expressed by the members of the 7th Regiment Chapter, I. O. D. E., at the May meeting, held in the officers' quarters of the 7th Regiment, Tuesday afternoon, over the success of the home-cooking sale of Saturday last, and warm gratitude was expressed to Mr. Tilmann for giving the use of a store on Richmond street near Dundas, in which to hold the sale. Thanks were also expressed to Mesdames C. A. Whitlam, J. E. McKillop and D. H. Galvin for service generously given in running the automobiles. WAS TROUBLED WITH HER LIVER FOR OVER 4 MONTHS

When the liver becomes slow, sluggish and torpid it is not working properly and does not supply sufficient bile to thoroughly act on the bowels and carry the waste products of the system, hence the bowels become clogged up, bile gets into the blood, constipation is in and liver troubles follow, among which are sick or bilious headaches, artburn, water brash, jaundice, floating specks before the eyes, pain under the right shoulder, and tongue, bad breath, yellow eyes, etc.

MILBURN'S LAXA-LIVER PILLS

Effectively remove the secretions, clear away the effete and waste matter by acting directly on the liver, and making a bile pass through the bowels instead of allowing it to get into the blood. Mrs. Alice Mohl, Napanea, Ontario, writes: "I was very badly run down for four months. I tried several remedies, but got no relief. One day my friend brought me home a box of Mrs. Alice Mohl's Laxa-Liver Pills, and before I used half of it I was much better, only used two vials and I am a different person today."

"I can safely recommend Laxa-Liver Pills to anyone troubled with liver troubles."

DAUGHTER WAS WEAK AND NERVOUS

Mother Gave Her Lydia E. Pinkham's Vegetable Compound with Happy Results

Cobourg, Ontario. — "Lydia E. Pinkham's Vegetable Compound was recommended to me for my daughter. She had trouble every month which left her in a weak and nervous condition with weak back and pain in her right side. She had these troubles for three years and frequently was unable to attend school. She has become regular and feels much better since she began taking the Vegetable Compound and attends school regularly."

Mrs. John Toiss, Ball St., Cobourg, Ontario.

Every mother who has a daughter suffering from such symptoms could give Lydia E. Pinkham's vegetable Compound a trial. It is prepared from roots and herbs, and can be taken in safety by young girls. It has been used nearly 50 years, and many women owe their good health today to Lydia E. Pinkham's Vegetable Compound.
