BOYS. To the Editor of the Free Press. Dear Sir,-Will you kindly permit me to years ago while living in Chicago my son former employe of the Sentinel-Rejoined the volunteers, not thinking of view, from London.

What a friend we have in Jesus, All our sins and griefs to bear; What a privilege to carry Everything to God in prayer.

And I ask you not only to look to God for oe preserved from all dangers on land and sea, and if it is God's holy will, be brought back sarely, and may they be led to trust in God and acknowledge Him as a God of Love. I believe my son stands as a monument of God's mercy. stands as a monument of God's mercy. Only three out of the company who were either down with yellow fever or wounded, he is one who has not had a day's sckness. So take courage, dear sisters; plead earnestly with God for them. I believe my boy was preserved from all danger in answer to his mother's prayers. Those of us who are God's children know. danger in answer to his mother's prayers. Those of us who are God's children know our Heavenly Father is too wise to err, and too good to be unkind; also that everything works together for good to them that love Him. Hoping the following lines, with God's blessing, may cheer and comfert you, and thanking you, sir, for your kindness. I remain.

They say they have discovered a remarkably easy escape from Backache-the enemy of all peoples at all times. They say that Backache is really Kidney ache, and that Dodd's Kidney Pills will cure it. The people of Lucknow may be right, and indeed they are right, to a certain extent. But they are laboring under a mistaken impression if they imagine they have made a new discovery in finding Dodd's Kidney Pills will cure Backache.

It is a well-known fact in all countries that Dodd's Kidney Pills are a specific not only for Backache, but for all forms of Kidney Disease-Bright's Disease, Diabetes, Rheumatism, Heart Disease, Bladder and Urinary Complaints, Women's Disorders and Blood

Impurities. The people of Lucknow are none the fortunate, however, in having a medicine that will cure these diseases, even though cures are not confined to their own town. Dodd's Kidney Pills comprise the only medicine that will cure them, and there was a time when the more severe of the maladies were
