Sing a song of free trade. Sing a song or tree trade,
People out of work;
No one got a thing to do—
Artisan or clerk,
Workingmen without a job, Loafing around the street— That's what comes of free trade: Isn't it a treat?

Sing a song of poverty, actories are closed Free trade did it all you see. Just as I supposed Wife can go out washing, now, Children cry for bread That's the way you'll find it When the N. P.'s dead.

Sing a song of N. P., Work enough for all; Prosperity to Canada Comes at labor's call. No; but one thing sure. If it hasn't made us rich It hasn't made us poor.

New industries are springing up Throughout all the land; Nearly all are working now, N. P. makes us prosperous Work to all it give Sure of earning wages While the N. P. lives.

SIGNS OF THE TIMES.

London, June 16.—Every reader will "gnawing their own claws out of sheer with helpless yearning to Russia, but HALIFAX, N.S., June 11.—The following is the Conservative view of the situthan they had, all through the bad manmuch of China as she can lift.

To THE EDITOR:-I have always understood that Messrs. Templeman and Milne claim Mr. Laurier as their leader, and on this ground call on all good Grits to sup-port them at the polls. This is misleading hese gentlemen are no more supporters of Mr. Laurier than are Messrs. Prior and Earle. Witness the declarations of the parties: Mr. Laurier says that if he comes with the Liberal leader on this point gular divergence of opinion between Mr Laurier and his pretended supporters. Messrs. Templeman and Milne profess to be the friends of the agricultural interest. "Codlin's your friend, not Short," and yet they must be sufficiently intelligent to know that if Mr. Laurier's, or their own, programme, again differing from his, is carried out, the country will be inundated with products of the farm and garden which will ruin every man in the country interested in the industry; and who can claim that he is not so, either directly or

indirectly? These gentlemen are not in accord with the Liberal party on what is, after all, the main question, i.e., the tariff, for however the school difficulty be settled it is immawhich is the true consideration for us, and

OTTAWA, June 18.—The Exchequer court takes up to-morrow the claim of Contractor Goodwin for \$70,000 for the construction of a watertight embankment on the Soulanges canal. The government has called Engineer Munroe and others who reported against Mr. Goodwin's claim in the first instance. On the contractor's behalf evidence will be given by J. P. Hannaford, late chief engineer of the Grand Trunk, and others. Much interest attaches to the case because of the attempt made last sesjustice, in favor of Goodwin's claim.
