NLY POWER.

S OR WASTED VITALITY CAN BE NDEN'S ELECTRIC BELT.

> ROSEDALE, WASH., May 20. DR. A. T. SANDEN,

Dear Sir:—As you remember, I bought an Electric Belt from you on April 21, 1893, for general debility, being completely broken down physically and mentally; and gave you shortly afterwards a statement of the work that it had done for me. I wish to say flow that since making that statement, I marched East with the Commonwealers and returned here standing the trip as any healthy man should and have seen, since first wearing the belt, no reoccurrence of my old trouble and consider myself completely and permanently cured. As we are working in the same line, for the advancement and betterment of mankind, I will be glad at any time to answer inquiries as regards the work and curative powers of the sanden Electric Belt. gards the work and curative for sanden Electric Belt.

Thanking you for what you have done for me, and wishing you the success you deserve, I remain, yours truly, RICHARD LEONHADI, Rosedale, Washington.

wright made the announcement tonight that the Imperial government
have assented to the steamship contract with the Petersons Company. The
Canadian subsidy for a twenty knot service will be \$500,000, and the Imperial
contribution \$250,000. The service will contribution \$250,000. The service will be in operation by midsummer of 1899.

There was a pretty warm fight in the Railway committee this morning over the Yukon Chartered Company's bill, but after the elimination of certain objectionable features the measure was reported. Messrs. Oliver, Lister and McInnes strongly opposed the bill. Mr. Haggart also thought the powers sought were too extensive. Sir Charles Tupper supported the application, believing it essential that British capital should be encouraged to invest in Canada. Mr.
