Canada and the United States.

President Cleveland's message, urg ing retaliation upon Canada, is being discussed at very considerable length, by the newspapers of the Dominion. the United States and England. We agree with the Toronto Empire, that the message need not cause any degree of surprise. The President and between the United States and Canservant of Congress, and Congress in April of last year passed a Retaliation Act directed against the vessels and products and general trade of Canada, providing in fact for non-intercourse between the two countries. Our ships were not to enter their harbors; railway traffic between the two countries was to be suspended. This was before the Fishery Treaty, under which a settlement of all disputed questions was reached. The treaty having been rejected by a partisan Senate, the President asks to be armed with an ento Retaliation. His action, as the perfectly. Any one can learn to work it in two hours. It will take the place of Steno-stands consided from the standpoint of international comity, quite uncalled for. His Government by adopting the Treaty, admitted that all servery drug store, and should be found at every drug store, and should be found at every drug store, and should be consumed the cohose of the senate perfectly. The Canadian press accepts with good tem- labor. pleasant prospect before Charles Dullon, the son of a wealthy farmer of Stony Brook, L. I. ed legislators are showering upon the Domi-

ing vegaries rather than serious propositions.
The Canadian papers do not think that the
American people will sanction measures to
cut off the cheap importation service of Canadian carriers, nor that they will allow the

fishery disputes or other differences to lead to an enforcement of non-intercourse. On the whole, it must be the candid verdict that in many respects Canada's attitude is the most dignified and creditable, and that the United States has allowed her loquacious public men to put this great nation in a position contrasting unfavorably to that of the Dominion on many of the points at issue, Canada evidently makes due allowance for the extravagance and insinc rity of partisan declarations at such times as this, and wel-

comes investigations as means of bringing the facts of the situation clearly before th mass of the people and securing the intelligent treatment of issues between the two countries. It is very justly assumed by the Canadian press that the anti-British move-ment will dwindle into insignificance again when the campaign is over; but it is con-ceeded that some readjustment of trade relations, transportation facilities, etc., will be found desirable, and the Canadian journals wisely express the hope that the necessary Senate. Since then the question has assum- changes may be brought about by amicable

atory action. The general opinion in Halifax is that reports stipulated in the British Provinces. In 1886 the government received notice that mensely benefit Halifax. Notwithstanding fishermen would no longer be allowed to ship this the Recorder thinks we are on the border fish in bond free through Canadian Provinces of an international war and sees the only so and it had been enforced ever since, greatly lution in annexation.

An impression now prevails at Ottawa Next day the following bill was presented that the retaliation bill of the United States is sure to be put into force within three effectually to carry out the purposes of the Au Ottawa despatch of the 27th inst act entitled an act to authorize the President says:—The house committee on foreign afprotect and defend the rights of American fairs attempted to meet to-day according to sels in certain cases and for other purposes, approved March 3rd, 1277, and to authorize to call. As no quorum appeared no effort the President to protect American interest was made to transact any business and the proceedings were confined to an informal discussion which was mainly interesting from the fact that it revealed a strong disposition Be it enacted, etc., that whenever the Preident may deem it his duty to exercise any
