To an advanced age, in its youthful freshness, abundance, and color, by the use of Ayer's Hair Vigor. When the hair is weak, thin, and falling, this preparation will strengthen it, and improve its growth.

Some time ago my wife's hair began to come out quite freely. She used two bottles of Ayer's Hair Vigor, which not only prevented baldness, but also stimulated an entirely new and vigorous growth of hair. I am ready to certify to this statement before a justice of the peace.—H. Hulsebus, Lewisburg, Iowa.

On two occasions, during the past twenty years, a humor in the scalp caused my hair to fall out. It became thin and lifeless, and I was certain I should be baid in a short time. I began to use Ayer's Hair Vigor. One bottle of this preparation caused my hair to grow again, and it is now as abundant and vigorous as ever.—C. E. Sweet, Gloucester, Mass.

I have used Ayer's Hair Vigor for years, and, though I am now fity-eight years old, my hair to shick and black as when I was twenty. This preparation checked the hair from falling, stimulated its the hair from falling, stimulated its the hair from falling, stimulated its far from falling, stimulated its that hair from falling, stimulated its far from falling, stimulated its the hair from falling, stimulated its far from falling.—T.
