TRE-CASTING THE ESTIMATES. 4 It Made

The Parks and Gardens Committee The Parks and Gardens Committee met yesterday to recast the estimates. There were present Chairman Swais, Ald. Mc-Mullen, Tait, St. Leger, Dodds, Booth, Gillespie, Woods, Rill, Crocker, E. A. Macdonald and Park Commissioner Chambers. The council's action in cutting down the estimates of the committee to \$73,465 had necessitated an entire revision of the old figures. The following table was therefore submitted by the Commissioner:

1 S 9,670

Total. \$73,465

The only change was the addition of \$500 for road improvement for High Park. Ald. Macdonald invited the committee to drive through St. Matthew's Ward next week with him, the courtesy being accepted, Ald. Gillespie fought hard for corner gates for Herricultural Gardens, and advocated a visit to the grounds before anything was done. After a lengthy argument the chairman was instructed to sign the contract for the new fence without this provision,

Twenty-five years ago I suffered from a torpid liver, which was restored to healthy action by taking Ayer's Pills. Since that time I have never been without them. They regulate the bowels, assist digestion, and increase the appetite, more surely than any other medicine.—Paul Churchill, Haverhill, Mass.

I had no appetite, suffered from Headache, was pale and emaciated. A few boxes of Ayer's Pills, taken in moderate doses, restored me to perfect health.—Waldo Miles, Oberlin, Ohio.

Lady Lives for Years on Soft Mrs. M. T. was taken with a palu and distressed feeling in her stomach upwards of seven years age, which nothing seemed to relieve. The pain and distress continued until her stomach became so sore and sensitive that sie could not bear the weight of her clothing to rest upon it. The most fungeent kind of food distressed her. She lost fiesh rapidly, grow pale and bloodless, was so weak and languid that she could not superintend her house held that life was almost a burden to her. It was very difficult for her to find anything she could eat. Ordinarily white broad felt like red hot sand in her stomach. Meat and all kinds of vegetables would lie like a stone and distress her terribly. The only article of diet that she has been able to bear has been rare boiled eggs, and for the past four years has lived almost exclusively on them. Three weeks ago she applied to Dr. Lemon, the Magnetic Physician. Last Sunday she ateroast turkey, vegetables bread and butter and apple pie for dinner. Mrs. T. says she has been able to eat anything she cannot begin to tell what she has surfered, and to be a well woman once more is more than she ever expected, and gives this statement to the public in token of her esteem for Dr. Lemon for what he has done for her and advises all who are sick and afflicted to call on him and be cured.
