## News of the Day.

NAUSS OF 15: DAY. The Liperned Allies gives the following, as de-tived trung a statement nearly to the same of feet, reached as about a week door for a well in-formed party. "His Majesty, who is travelling in-to the vale of years, is, it is said, now "all for passes and que the. He expresses himself, without re-the Tories so constantly keep up, for the partons of ejecting their itself from office. He is also will the Tories so constantly keep up, for the partons of ejecting their itself from office. He is also will the Tories so constantly keep up, for the partons of ejecting their itself from office. He is also will the Tories so constantly keep up, for the partons of ejecting their itself from office. He is also will the the present juncture, the Tories could not retain power for four and twenty hours. He is, when the the present juncture, the Tories could not retain power for four and twenty hours. He is, when the the mote some time, is resolved so far to give the triumph of the session to the Ministersan of heat which was found so efficiencies in carrying the great Kelown Bill. The reveal interferance, however, will not be extended to force through any other measure of the session, it will be limited to will be triumphant the keli The 'Yoy Lords will be triumphant to evert their destructive powers. -some. WELLINGTON AND WATERLOO, We have

Moved by Mr. R. Watson, and seconded by Mr. R. Lindsay, and Resolved unanimously. That we contaider that the interests of this community generally demands a suspension of specie psyments by the St. Stephon Banks are diated by the other Provincial Banks. Moved by Mr. G. Albert, seconded by Mr. S. Stenat, and *Resolved unanimuosly*. That during the present state of the money market, we will endeavour by all for means to give currency to the notes of those ProyIncial Banks that have suspended or may in-mediately suspend specie payments.

rediately suspend specte payments. Moved by Mr. W. Thomason, seconded by Mr. WELLINGTON AND WATERLOO, - We have

WELLINGTON AND WATERLOO, -- We have FO recollection of having ever seen the fol-lowing letter in print : it is in the "Mémoirs of Sir John Singlar," to whom it was address-ed. Sir John had applied to him far infor-dent and Directors of the St. Stephen's Bank, and published in the St. Andrews Standard. Mr. Abbot left the Chair, Jam's Furns, Esq. was mation :- "Bruxelles, April 18, 1536 - Dear Sir : I have received your letter of the 20th. The people of England may be entitled to a

Alled to the Chair, on motion of Mr. W. Tod I. Resource unanimously, That the themks of this seeing be given to James Abbot Esq. for his able of important conduct in the Cheire Os motion of P. Stabs Esq. Resolved. What the nanks of this meeting be tendered to Mr. D. Sulli-an, for his environ as Seconary detailed and accurate account of the battle of Waterloo, and I have no objection to their having n, but I do object to their being mis-informed and misled by those novels called D. SULLIVAN, See'y. Chairman. relations, impartial accounts, &c. &c., or this transaction, containing the stories which

curious travellers have picked up from pea-sants, private soldiers, individual officers, &c. BYE ROAD COMMISSIONERS. COUNTY OF CHARLOTFE. &c., and have published to the world-as the Daniel Gilmor to expend the following sums Hougomont was no more fortified than

La Ha Spirte; and the latter was not lost for want of fortification, but by one of those ac-cidents from which human affairs are never by the secure the bridge at Pomroy's. cidents from which human affairs are never entirely exempt. I am really disgusted with at Young's. The New York papers by yesterday's main maintain that misfortue is necessary to give and ashamed of all I have seen of the battle Joshna Knight to expend the following sums, are to the 20th inst. but do not afford any-
