PREPARED PAINT

Best in the Market!

Unequalled for Spreading, Finish and Durability! Paint that Beautifies and Protects!

NO one will deny that the finer a paint is ground, the longer it will wear and the more surface it will cover, and if to this we add the fact that if the color is ground in with the Lead and Oil, it will be seen that the paint will not spot or fade, as is the case with paint made by hand.

These three qualities (Spreading, Finish and Durability) are shown in the Heath & Milligan Manufacturing Co.'s Paints, over all others. If you want a paint that will endure, and at the same time hold its beauty, you will be interested in these goods. TAKEN FROM GUARANTEE.

"If at the end of one, two, three or five years the paint is not equal to that prepared the painter, as regards beauty of finish and durability, we will refund the money paid." Books of color plates, showing harmenious combinations of the different colors can be tained by applying to
