 or Money Back

If these things appeal to you write to-day and get our **LOW FACTORY PRICES** on

BROWN'S AUTO-SPRAYS

Our Simple Traction compressed air outfits are better than gasoline rigs, more powerful, more dependable, cost nothing to operate, and are much lower in price. No experienced help needed, no delicate machinery to cause trouble and expensive delays. The wheels pump and

Auto-Spray No 1

fill the air tank while you drive. This sprayer shown here is equal to the largest operations and is easily adjustable for orchard, field, vineyard or other work. Capacity of traction outfits from 50 to 250 gallons.

Hand Power Auto-Spray No. 1 is the most powerful, efficient and convenient sprayer made for all light work. For small fruits or garden truck up to 5 acres, it is just the thing. Use it for shrubbery, disinfecting or whitewashing poultry houses, etc. Tank capacity 4 gals. Carried over shoulder.

300,000 Fruit Growers, Gardeners and Farmers use **BROWN'S SPRAYERS** and practically all Government and State Experiment Stations endorse them. We manufacture 40 styles and sizes. One of them will just fit your requirements.

Write For Free Book. It not only describes the most complete line of sprayers in the world but contains a valuable spraying calendar compiled by Prof. Slingerland.

The E. C. BROWN CO., 57 Jay Street, Rochester, N.Y.

If you wish an up-to-date Vegetable or Flower Garden the coming season, you must have

SIMMERS'

Seed Catalogue for the Year 1908

ESTABLISHED
 1856

Because it contains the most complete list of Vegetables and Flowers, together with many striking novelties. Simmers' Field, Vegetable and Flowers Seeds have for over fifty years been staple with the best Farmers, Market Gardeners and critical private planters. When you buy seeds, you naturally expect them to germinate. This is an absolute necessity, but the most important point is the quality of the vegetable or flower produced. Simmers' quality seeds cover this, because we buy from acknowledged specialists, and we spare no expense in procuring the best Seeds for germination and productiveness. It tells you about it in our Seed Catalogue for 1908, which is mailed FREE for the asking. Write at once.
