

Martin Orme Player Piano

The Piano Beautiful

MARTIN-ORME instruments are built under the expert guidance of a recognized Genius in the theory and practice of acoustics and tone.

They are the resulting combination of the finest workmanship and materials when in the hands of a Master Craftsman.

The entire Martin-Orme Plant and Organization is concentrated on the production of *one quality* of instrument, and we have the necessary experience to assure the highest attainable.

Dealers find—despite heavy costs of grade A1 labor and materials—that the qualities of Martin-Orme pianos steadily advance.

They are built to be your leader.
