DIOCESE OF MONTREAL.

CHURCH SOCIETY'S OFFICE,

7th May, 1856.

A meeting of the Central Board of the Church Society was held this day, the Lord Bishop in the chair:

The following report was presented from the Lay Committee:—An application was received from the Rev. Joseph Griffin of the Gore, Ottawa, for aid towards the erection of a church in his mission, at a supposed cost of £600, affording accommodation for 350 persons, 58x86, of stone. The incumbent states that much of the materials required in its construction are already on the ground, and your committee recommend a grant of £50, payable one half in July next, and the balance in Jan'y 1857.

A letter was received from George W. Osborne, Esq., on behalf of the residents of the Portage du Fort, Upper Ottawa, praying for aid towards the building of a church at that place, and setting forth the very destitute state of all spiritual instruction under which they labour and the very great exertions made by the laity and their friends towards the desired object, which have been indeed most praiseworthy. Your Committee, also, considering the great advantage that such a mission, posted at the very farthest point of the Diocese, will certainly afford a population who have never had divine service performed within the walls of a church, strongly recommend this application to the favorable consideration of the Central Board and suggest that a grant of £50 be made, payable in July and January next.

Both the above grants to be under the usual supervision and direction of this committee. The whole respectfully submitted.

J. S. McCord,
Ch. Lay Com.

The secretary presented a letter from the Rector and Churchwarden of St. Stephen's Church, Chambly, thanking the Board for the grant of £15 towards the liquidation of the debt on the parsonage house.
