

ments for the liberal donation of land he has made to the Church Society; and at the same time the Board have much satisfaction in electing Mr. Paterson as a life member.

The Secretary to communicate the above resolution to Mr. Paterson, and to ascertain before the next meeting if the mortgage on the said land can be extended for 12 months.

A letter was read from the Rev. G. A. Bail, of Barton, in which he asked for a loan towards the building of a parsonage. The Society regret that they have no funds at present at their disposal, but that, if required, the usual grant of £12 10s. be made for this object so soon as the grant can be made.

An application for a grant to the church being built at Onondaga, was read from the Secretary of the Church Building Committee, recommended by the Rev. A. Nelles. The Secretary was desired to enquire whether this church was for the use of the Indians, and report at the next meeting.

A grant of books for the Rev. W. Ritchie's Sunday Schools, in the township of Georgina, to the amount of £2 10s., was ordered.

The Standing Committee having recommended that the Society do take into consideration at this meeting the subject of the Rectory of London, vacant by the consecration of the Right Rev. Dr. Cronyn:

J. W. Gamble, Esq., gave the following notice:—That at the next meeting of the Society, he will move that they do then proceed to present an incumbent to the Rectory of London.

Mr. Justice Hagarty gave the following notice:—That at the next monthly meeting it will be proposed that the Church Society follow the course heretofore taken in vesting their patronage in this Diocese, and by transferring any right they may have in presenting to the Rectory of London, to the Lord Bishop of Huron.

The Hon. P. B. DeMaquiere gave the following notice:—To rest in the Lord Bishop of Huron the nomination to such Rectories in the Diocese of Huron, as form part of the former Diocese of Toronto.

Some discussion ensued upon this subject, and the Rev. H. J. Grasett announced that he was authorised by the Lord Bishop of Huron to state that he denied the power of this Society to fill up the vacancy, and would therefore contest it.

The following gentlemen were unanimously elected members of the Corporation:—Rev. Thos. Taylor, Rev. A. Broughall, and Thos. Sibbald, Esq., R. N.

The Standing Committee recommend that the following gentlemen do compose the Book and Tract Committee for the ensuing year:—Revs. Dr. Beaven, H. J. Grasett, Dr. Lett, D. E. Blake, S. Givins, the Provost of Trinity College, and H. Rowse, Esq. No other list being offered, these gentlemen were declared duly elected.

J. W. Gamble, Esq., proposed that at the next meeting the Rev. J. Carry be elected a member of the Corporation; and Provost Whitaker proposed the Rev. — Abrahall.

Prayers were read by the Secretary, and the meeting adjourned.

THOMAS SMITH KENNEDY,
Secretary

THE ANGLO-CANADIAN CHURCH,—THE HEATHEN ABROAD, AND THE VENERABLE THE SOCIETY FOR PROPAGATING OF THE GOSPEL IN FOREIGN PARTS

To the Editor of the Canadian Ecclesiastical Gazette.

DEAR & REVEREND SIR,

It is, to very many in the Church, a source of real regret, that the operations of their Church Society cannot well, as it is at present constituted, be made available to the furtherance of the Gospel of their Lord and Saviour among the heathens dwelling beyond the bounds of the Society. There can be little doubt that the extension of Christian liberality to the conversion of the heathen abroad, so far from causing any diminution of interest in the heathen within our immediate borders, would greatly increase it; and would rouse the Church to greater energy, on behalf of the remnant of these aborigines, than any yet manifested by her members.
