All surcharges are in black—when they have been printed in other colors they are always mentioned.

January 1861. This issue is from the same plates as the first, but is printed in different colors:—

|                           |                         |
|---------------------------|-------------------------|
| $\frac{1}{2}$ real—brown. | 4 reales—red on yellow. |
| 1 “ black on green.       | 8 “ brown.              |
| 2 reales—rose.            | 8 “ green or brown.     |
| 4 “ yellow.               |                         |

The surcharges of this issue are the same as the preceding, with very few exceptions, which are adding,

|                 |               |
|-----------------|---------------|
| Aguascaltes.    | Colima.       |
| Aguascalientes. | I del Carmen. |

And omitting:—

|             |                 |
|-------------|-----------------|
| C. Bravos.  | Huejutla.       |
| Cuautitlan. | Temas Caltepec. |
| Chiapas.    | Yguala.         |
| Himeosillo. |                 |

In 1864 a new issue took place—the design was somewhat similar to the preceding ones, but very finely engraved and perforated:—

|                |                 |
|----------------|-----------------|
| 1 real—red.    | 4 reales—brown. |
| 2 reales—blue. | 1 piso—black.   |

Only two surcharges on this issue are known, viz;—

|            |           |
|------------|-----------|
| Monterrey. | Saltillo. |
