THE PROOF

Is in the Eating!

Just So With Seed!

Tens of thousands of solid heads of cabbage, hundreds of bushels of the choicest types of carrots, and thousands of bushels of magnificent onions, all selected to raise seed from, we shall be pleased to show to any of our customers. If not found as represented, draw on us for your traveling expenses. If you know where there is a lot equally good, we will go a good ways to see it. Seed from good stock produces good vegetables (the proof of the pudding is from poor stock, trash). We grow a hundred and fifty acres of seed stock and seed of all kinds. You must need us. Vegetable and Flower Seed Catalogue FREE.

MISCELLANEOUS.

Kurtz, the New York photographer, has lately done some photographic colour-painting that, when more perfected, threatens to oust Prang and lithography altogether. His prints are mostly still life studies, remarkably true to nature in the colouring. They are printed from three negatives, each reproducing the object in one of the primary colours (red, blue, and yellow), with the omission of all the other colour tones.

DYSPEPSIA CURED.

Gentlemen,—I was troubled with dyspepsia for about four years. I noticed an advertisement of Burdock Blood Bitters, so I started to use it, and soon found that there was nothing to equal it. It took just three bottles to effect a perfect cure in my case.

BERT J. REID, Wingham, Ont.

A curiosity in the cutlery line was lately made in a Meriden (Conn.) factory. It is a perfect pocket-knife with 30 blades, shears, files, pliers, awls, etc. It weighs one-eighth of an ounce.

HOOD'S PILLS cure constipation by restoring the peristaltic action of the alimentary canal. They are the best family cathartic.

The "legal poor" of Greece number less than 3,000. The population of the little kingdom is 2,400,000. The mildness of the climate has much to do with this lack of public pauperism.

CAN YOU THINK?

Can you think of a worse disease than dyspepsia? It plunges its victim in gloom and despondency, makes him a burden to himself and others, and causes constipation and bad blood. Yet Burdock Blood Bitters cures dyspepsia or indigestion, and has done so in thousands of cases.

For very fine writing there is no instrument equal to a crowquill. It requires the assistance of a microscope to make a proper pen out of such a quill, but when made it is of wonderful delicacy.

Dyspepsia's victims find prompt and permanent relief in Hood's Sarsaparilla, which tones the stomach and creates an appetite.

The largest turret ship in the world, the Hood, of the British Navy, successfully passed the official trial of her machinery a few days ago. She has a displacement of 14,150 tons. The total cost of the Hood when fully equipped will amount to \$4,750,000.

TO-DAY

Hood's Sarsaparilla stands at the head in the medicine world, admired in prosperity and envied in merit by thousands of would-be competitors. It has a larger sale than any other medicine. Such success could not be won without positive merit.

The Mikado has abolished the law in Japan which provided that the authorities could pick out a man for an unmarried woman of a certain age and compel him to marry her.

DIARRHOEA and DYSENTERY are perhaps the most common of our everyday ills, and every person nearly has some special cure of their own. Ours is Perry Davis' Pain-Killer, and having used it for many years we can confidently recommend it. Get Big Bottle 25 cents.

It is the law in Denmark that every drunken man shall be taken to his home in a carriage provided at the expense of the saloon-keeper who sold him the last drink.

The Children's Enemy.

Scrofula often shows itself in early life and is characterized by swellings, abscesses, hip diseases, etc. Consumption is scrofula of the lungs. In this class of disease Scott's Emulsion is unquestionably the most reliable medicine.

The Medical Committee of the Cancer Hospital, of London, state that tomatoes neither predispose to nor excite cancer formation, and they are not injurious to a person suffering from this disease, but, on the contrary, are a wholesome eatable, especially when cooked.

Takes 1,000 people to buy Dr. Sage's Catarrh Remedy, at 50 cents a bottle, to make up \$500. One failure to cure would take the profit from 400 sales. Its makers profess to cure "cold in the head," and even chronic catarrh, and if they fail they pay \$500 for their over-confidence.

Not in newspaper words but in hard cash! Think of what confidence it takes to put that in the papers—and mean it. Its makers believe in the remedy. Isn't it worth a trial? Isn't any trial preferable to catarrh?

After all, the mild agencies are the best. Perhaps they work more slowly, but they work surely. Dr. Pierce's Pleasant Pellets are an active agency but quiet and mild. They're sugar-coated, easy to take, never shock nor derange the system and half their power is the mild way in which their work is done. Smallest, cheapest, easiest to take. One a dose. Twenty-five cents a vial. Of all druggists.

B.B.B. CURES HEADACHE

Constipation, Dyspepsia and Bad Blood are the usual causes of Headache, B.B.B. removes these and with them also the Headache disappears. Note the following:

STRONG EVIDENCE:

"My Sick Headache occurred every week for forty years, I took three bottles of B.B.B., have had no headache for months, and recommend it highly."
