

BUILT UPON

The Granite Rocks of
Experience

For Fifty-four Years our Stoves have been very largely used. Scarcely a hamlet in this broad Dominion but traffics in our wares. Unequaled experience, large facilities, and special opportunities make great results possible. We claim for

SOUVENIR RANGES

That they have reached perfection, that is, so far as perfection is known in the science and art of stove-building of to-day. If you are interested in **Aerated Ovens** ask us for further information.
