

CARNEFAC STOCK FOOD

PROF. SHAW'S OPINION:

Read what Prof. Shaw, formerly of the Ontario Agricultural College, Guelph, Ont., and now Editor of the St. Paul Farmer, says of Carnefac Stock Food:

THIS IS TO CERTIFY that the ingredients used by Mr. W. G. Douglas, Winnipeg, Manitoba, in the manufacture of his Carnefac Stock Food have been submitted to me for my opinion regarding their value. I may say with reference to them that I am satisfied they are all healthful. If properly blended they should make a splendid tonic for live stock, more especially a supplement and will also tend to stimulate the digestion so that when fed to animals not in good condition of thrift the result should be to quickly improve their condition. I would suppose that this food would be especially in tone the stomach of cattle, sheep and swine that have been pushed too hard in feeding. It should also render good service when fed to calves that are not prospering because of indigestion.

THOMAS SHAW.

SPRAYER PAINT

A new mineral paint and dry powder form, requiring only the addition of cold water for instant use. It's fire proof, weather proof, germicidal, crack, frost, and rust proof, covers better than oil paint and at a low cost. Can be used to equal advantage on stone, brick, wood and plaster, and even on painted surfaces. There is a lot of it in every machine. Will paint a good sized barn in 15-20 minutes. Write for literature.
