ASSOCIATE MEMBERS.

As many friends of Grace Hospital who are interested in the success of the institution, and still have not the time to devote to actual work, have expressed a desire to be of some assistance, it has been deemed expedient

by the Trustees and Board of Management to establish an order of "Associate Members," who, by their influence, can be of great benefit, not only in Toronto, but throughout Ontario, in securing a wider interest in the science of Homoeopathy and spreading the knowledge of Grace Hospital, it being the only homoeopathic hospital in the province.

The privilege of attending the monthly meetings will be accorded those becoming Associate Members. These are held at the Hospital on the second Thursday of the month, at 4.30 o'clock. A reception committee will be present at 3.30, and will show Associate Members through the various wards prior to the meeting.

A copy of the HOMOEOPATHIC MESSENGER, showing the work which is being accomplished, will be sent monthly to all "Associate Members."

The annual fee for membership in the order is \$2.00.

REPORT OF YOUNG LADIES' AUXILIARY.

There have been very few members present at the last few meetings, but we are hoping for better attendance very soon, as there is a great deal of work to be done for the coming winter. Work finished: thirty-four pillow cases, two night shirts.

M. E. PALMER, *Secretary.*
