**The Charm of a  
Gerhard Heintzman Piano**

ABOVE all evidences of mechanical perfection and exquisite art in case design, the incomparable charm of a Gerhard Heintzman piano, is that crystalline purity of tone that is the result of a lifetime of research on the part of Mr. Gerhard Heintzman.

Mr. Gerhard Heintzman's acknowledged position in the Canadian piano industry as an expert on tone and an authority on all matters pertaining to piano construction emphasizes significantly the proud position occupied by his piano.
