Saturday last was a big day for the ice harvest on the Hudson, over 100,000 tons being taken in. If the weather keeps cold 100,000 tons will be housed daily for a week or more.

**CONSUMPTION CURED.**

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing or using. The citizens of San Diego, Cal., are rejoicing over the completion of a gigantic flame, fifty miles long, which ensures an ample supply of water for the city and county.

One of the reasons why Scott's Emulsion has such a large sale is, because it is the best. Dr. W. H. Cameron, Halifax, N. S., says: "I have prescribed Scott's Emulsion of Cod Liver Oil, with Hypophosphites, for the past two years, and found it more agreeable to the stomach and have better results from its use than any other preparation of the kind I have ever used." Sold by all Druggists, 50c. and \$1.00.

Since Bishop Stubbs was consecrated in April, 1884, he has confirmed in the Diocese of Chester, 25,054 persons, the proportion of males to females being about two to three.

A bachelor says if you hand a lady a newspaper with a paragraph cut out of it, not a line of it will be read, but every bit of interest felt in the paper by the lady will centre in finding out what the missing paragraph contained, even if it was only a Minard's Liniment advertisement, stating that it cures rheumatism and all aches and pains of the human race.

"One of the most perfect instruments for  
sound instruction concerning the Church  
that has been offered to Churchmen. The  
whole temper of the book is courteous,  
kindly and humble. This book ought to be  
in the hands of every Churchman. Of all  
books upon this important subject it is the  
most readable. It is popular and attractive  
in style. In the best sense. We commend  
it most heartily to every Clergyman  
for personal help and parochial use. We  
would, if we could, place a copy in the  
hands of every member of the English-  
speaking race. And we are assured, the  
once begun, it will be read with interest  
from preface to conclusion. No better text  
book could be found for a class of adults  
who desire to give a reason for their faith  
and be Churchmen in reality.—Church  
Record.
