#### REEUMATISM OURED !

Read the following letter, received by Mr. H. R. Gray, Druggist, St. Lawrence Main Street, Montreal :--

118 DOMINIQUE STREET,

Montreal, July 18, 1863. Sin, -I have suffered severely from Rheumatism for a length of time, and have been under the treat-ment of different medical men without any benefit. Having heard of BRISTOL'S SARSAPARILLA, I determined to try it. After using six bottles more I found myself perfectly cured. The Rheumatism from which I suffered principally affected my back. I am, yours respectfully, MRS. P. LAFRANCE.

MURRAY & LANMAN'S FLORIDA WATER -- If the price of an article were always the measure of its value, we might suppose that this exquisite perfume and cosmetic was inferior to some forsign scents of which a fourth of the quantity contained in one of the Florida Water bottles, is sold at four times the price. But as we have an independent way of forming opinions from the evidences of our own senses our conclusion in this instance is a very different one. We have tested the preparation in various ways, and unbesitatingly pronounce its fragrance as indestructible, as fresh and flower like, and in all respects, as agreeable as that of any toilet water with which Cologue, Paris, or London has ever furnished us. This is the verdict of all Spanish America, and we heartily indorse it. IF See that the names of 'Murray & Lanman' are upon every wrapper, label, and bottle; without this none is genuine.

THE MOST IMPORTANT ANNOUNCEMENT SINCE THE

SURRENDER OF GENERAL LEE, Is that of M'GARVEY'S determination to REDUCE the Price of his entire STOCK

FIFTEEN PER CENT.

THE Subscriber, in returning thanks to his Friends and Uustomers for the liberal patronage extended to him during the last 15 years, wishes to inform them of the extension of his SHOW ROOMS and STOOK during the past winter, in order to supply the increasing demands of his business, and especially since his removal to the new buildings, notwithstanding the reports that some of his rivals in trade have endeavored to circulate of his having been sold out and left the place. These statements have been made to many of my customers with the hope that they would take no further trouble in finding out my new place of business. These and similar contemptible statements, which I consider too low to take further notice of, have induced me to make a few remarks. First, I would say that I am not sold out, neither have I left the city, but can be found any time during business hours at my new warerooms, Nos. 7, 9, and 11 ST. JUSEPH STREET, second door from M GILL STREET. I call on any party in Cadada or the United States, from whom I have perchased goods since my commencement in business, to say if I owe them one dollar after due or tention to business as I have done, they would not have to resort to such contemptible means of getting trade. Seeing the desire that exists with a portion of the trade to run me off the track, I am now aroused to a new emergency, and determined to reduce the prices of my goods at least FIFTEEN PER CENT., which the advantage of the largest and best

The Circulation of the Blood is justly esteemed the greatest ordination of Divine Providence; by that bearing engine, the heart, it is driven to all parts of the system, giving vigor and strength to the complicated machinery of man. This living flood, whether we sleep or wake, sallies briskly through the arteries, and returns softly through the veins. How necessary that it should be kept free from all impurity, and yet how negligent many are respecting \ this great essential to the enjoyment of perfect health. Derangement in the Liver and Nerves is generally the primary cause; and Jaundice, Ind-gestion, and all the barassing feelings attending Dyspepsia, which make life a burden, result from it. Suicide would rapidly follow suicide, if there was no cure. No one would suffer long, if he is able to obtain a bottle of Hoofland's celebrated German Bitters, prepared by Dr. C. AYER'S CATHARTIC PILLS ARE the most perfect purgative which we are able to produce or which we think has ever yet been made by anybody. Their effects have abundantly

shown to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they curs the every day com-plaints of everybody, but also formidable and dan-gerous diseases. While they produce powerful ef-fects, they are at the same time, in diminished doses. the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take ; and, being purely vegetable, and free from any risk of harm. Cures have been made which surpass belief, where they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that, our Preparations contribute immensely to the relief of our afflicted, suffering fellow-men.

From the innumerable satis-factory statements published in reply, we make the following brief extracts : R. D. Crosswell, Esq., of the Daily Times, says : ' In the case oi a lady, a near relative of the writer, the pills have effected the removal of dropsical swellings that had existed for more than three years.' J. B. Goodwin of the Loraine Gazette, one of the ablest weeklies in the West. states that he was 'promptly relieved from chronic torpidity of the bowels, accompanied with painful constipation, by the sample of pills received last October, and apprehends no return of the complaint.' Joseph Edwards, Esq., of the Tribunc, writes : 'I was, so I thought, a hopeless dyspeptic, but two vials of BRISTOL'S SUGAR-COATED PILLS seem to have entirely banished the complaint, to which I had been a martyr, more or less, for twelve years.' Such evidence is conclusive. They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SAR-SAPARILLA should be used inconnection with the 426 Pills.

The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things. . . . I owe much to you, for I verily believe the Plantation Bitters have saved my life.

New and Improved Series, in Weekly Numbers, or in Monthly parts, price \$3 per Annum. The Lamp in 1865.

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper.'
