**Mercantile Summary.**

THE WELLAND CANAL will be opened on the 22nd of April inst.

A PETITION of the Toronto City Council in favor of the Huron and Ontario Ship Canal project will be presented to the House of Commons by James Beaty, M.P., at an early day.

THE CONGRESSIONAL Committee of Ways and Means have reported in favor of abolishing the stamp tax on bank cheques, and of reducing the tariff by nineteen millions of dollars, and the internal revenue by about a million and a half.

COPPER SEEMS TO have been successfully cornered in the American market. All the available stocks are said to have fallen into the hands of a clique of speculators who have put the price up 80 or 90 per cent, and expect to control the market long enough to realize their own figures.

SOME OF THE tariff tinkers in the United States Congress have been playing foot-ball with the tea and coffee duties, by resolving to render these articles free; it is not believed, however, that any change will be made.
