

	Successful life assurance agents who have pushed their business under great disadvantages, which they feel may cripple them in their future efforts, would do well to connect themselves with a LIVE company which fosters its agents.
	Others who have been desirous of taking a high rank in the business, but have found themselves surpassed by competitors, should determine whether this may not be due to the tools they have had to work with rather than to any lack of ability or energy on their part.
	The man who has the greatest facilities in business, other things being equal, will surpass all competitors.
	The Equitable Life Assurance Society, 120 Broadway, New York, has unoccupied territory at a number of points throughout Canada, and agents are invited to communicate with R. W. GALE, Montreal, General Agent of the Society for Canada. All communications of this character will be treated with consideration by the officers of the Society.
