

Catholic Notes.

The Vicar-Apostolic of Kiang-Kiang China, has received 100,000 francs indemnity for the damages inflicted on Catholic property in his jurisdiction during the recent riots.

The Methodist ministers of Chicago have adopted resolutions petitioning the Pope to exercise his good offices in securing religious liberty in South American countries.

The statue of Father Drumgoole in Lafayette place, New York, was unveiled by Archbishop Corrigan, April 15. Father Drumgoole founded the great mission of the Immaculate Virgin, which has done such a noble work for the poor and friendless boys of the streets of New York.

The French Jesuits have established a large printing establishment at Tananarivo, Madagascar. A long list of religious and educational books, all in the native language, has been brought out by the missionaries, to whom is also due the credit of producing the best known map of the island.

The Catholic Church is not sustained by its members. That was not the promise of its Divine Founder. The "Spirit of Truth will abide with it forever," and the "gates of hell shall never prevail," sufficiently indicate the means by which it shall live and shall be defended.

See that your child never leaves a task half done or slovenly finished; and therefore never give too many tasks. Thoroughness is the corner-stone of success. There is no place in the world now for smatterers who know a little, and only a little, of everything under the sun.

The sovereign pontiff has written a letter of congratulation to Professor Klein of the Paris university, upon the latter's recent article, which was translated and used as a preface to a volume combining a collection of the sermons of Archbishop Ireland, of St. Paul, Minn. His Holiness expresses his entire approval of the sentiments expressed in Prof. Klein's production.

In the spring the young man's fancy lightly turns to thoughts of love, and the young woman's fancy, as it has charge of the wedding arrangements, ought to decide in favor of the Nuptial Mass. This is the way for good Catholics to get married. The Church provides a special ceremony, with prayers that will bring blessings and happiness, peace and plenty to the two spouses, and no one should heedlessly neglect that fecund benediction.

ST. JOSEPH AND CATHOLIC TRUTH SOCIETY.

On Thursday evening last, the members of the St. Joseph and Catholic Truth society gave a pleasing entertainment in Friendship hall. Owing to the very bad weather many were deprived from coming, in fact the members were agreeably surprised at finding such a large and appreciative gathering present.

T. M. Woodford, president, occupied the chair, and Rev. Fathers Langevin D. D. and Charrier sat side by side on the platform. The programme opened with a piano solo by Miss Gelly which was skillfully played. Miss Stack then sang "Moonlight at Killarney"—one of Scanlon's favorites. Mr. O'Connell Powell recited "European Guides" by Mark Twain, and to an encore, also gave "Anthony's address to the Romans." Mr. Crek, the bass of St. Mary's choir sang with great effect, and much to the pleasure of his hearers. He was vociferously encored. Mr. Paul, of the Medical College, sang two songs, the second being the occasion of much merriment. By request Mr. Brownrigg sang "Pardonnez moi," eliciting laughter throughout the hall. Mr. George L'Eveque played a solo on the cornet. Mr. G. Gelly sang "Amour et Fanamose." A trio followed—pianist, Mrs. Radiger; violinists, Messrs. Radiger and Chevrier. Miss Miller acted as accompanist. At the close of the exercises Rev. Father Hendricks, of Grand Forks, spoke for a few moments encouragingly to the members, inspiring them with fresh hope and ambition in their good work, and praising the objects for which Catholic Truth Societies were in existence. Mr. Coyle was to have sung, but owing to an unfortunate disappointment in procuring an accompanist, his appearance was not noted. The proceeds of the concert are to be devoted to the establishing of a library for the society. It might be well to mention that the St. Joseph and Catholic Truth Society gives promise for a bright future in Winnipeg.

At the regular weekly meetings new members are constantly being admitted. The meetings are always rendered most interesting by debates etc, each and every member being at liberty, and in fact expected to take part. It is contemplated to procure larger and more commodious quarters, to establish a first-class library, to provide games and other amusements for the members, and in every respect to make the society an attraction, especially to the young people.

Rev. Father Charrier's eloquent address delivered on the above occasion, is unavoidably held over till our next issue.

Consumption

may be avoided. It comes from a germ that takes root and grows only when the System is Weak and Lungs are affected.

Scott's Emulsion

of Cod-liver Oil, with hypophosphites of lime and soda, overcomes all the conditions which make consumption possible. Physicians, the world over, endorse it.

Coughs, Colds, Weak Lungs and Emaciation cure the way for Consumption. SCOTT'S EMULSION cures them and makes the system strong.

A STRANGE EXPERIENCE.

AN INTERVIEW WITH A WELL-KNOWN BRANT COUNTY LADY.

Suffered for Two Years with Sick Headache, Dizziness and Dyspepsia—How She Found Relief—What well-known Chemists Say.

From the Brantford Expositor.

Mrs S. W. Avery lives on Pleasant Ridge, about four miles out of the city of Brantford, that being her nearest post-office and where all her trading is done.

Mr. and Mrs. Avery have always lived in that neighborhood, and he is the owner of two splendid farms, the one of which he lives consisting of 160 acres and the other lying near Brantford comprising 100 acres. They are highly respected residents of the community in which they reside, and every person for miles around knows them. Having heard that Mrs. Avery had been cured of chronic dyspepsia and indigestion, by the use of Dr. Williams' Pink Pills, a reporter called there recently and asked if she was willing to make public the facts concerning the cure.

Mrs. Avery replied that she was willing to make public the facts concerning the cure. Mrs. Avery replied that she had benefited by the use of Pink Pills, and was perfectly willing to give her experience for the benefit of those who might be similarly suffering. "For the past two years," said Mrs. Avery, "I had been greatly troubled with a very sick headache, dizziness, and a cough which I believe were the symptoms of dyspepsia and indigestion, and I could find nothing to relieve me although I tried several different medicines. I could not even find anything which would relieve my cough, which at times would be very severe. Early last winter I read in the Expositor of Dr. Williams' Pink Pills, and as the symptoms mentioned were somewhat similar to mine I was thus induced to try them. I procured a supply from Messrs. McGregor & Merrill, druggists, of Brantford. Before I had used two boxes of the Pink Pills I felt so much better and relieved from my distressing symptoms that I thought it would be best to continue taking them through the winter, and I accordingly got another supply and used them, with the result that I have been totally relieved. I have not since had the severe headaches which formerly made my life miserable, and my cough has entirely disappeared. I strongly recommend Pink Pills to anyone who suffers similarly to what I did from dizziness, headaches, indigestion, etc., and I believe they will derive great benefit from their use.

Mrs. Avery's statement was corroborated by her husband, who was present during the interview, and who said that without a shadow of a doubt Pink Pills had accomplished more for his wife than any other medicine which she had taken. Messrs. McGregor & Merrill were interviewed, and in reply to a query as to the sale of these pills, Mr. McGregor said: "We have sold in the neighborhood of 5,000 boxes during the past twelve months and there is no remedy we handle gives better satisfaction to our customers than Dr. Williams' Pink Pills. I have every confidence that Pink Pills are the best on the market and something the people can depend upon." Mr. Merrill, the other member of this well-known firm, said: "I have more pleasure in selling Pink Pills than any other medicine we handle, because it is rarely there is any disappointment in them, and the people who purchase them unanimously express themselves as well satisfied. I am well acquainted with Mrs. Avery and I know that all her statements are reliable, and I have watched the improvement Pink Pills have made in her case and have seen a great change for the better. Many other druggists recommend some preparations, sometimes their own, to be equally as good as Pink Pills, but we cannot conscientiously say so, knowing that as a system tonic Dr. Williams' Pink Pills stand unrivaled."

Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration and tried feeling therefrom, the after effects of la grippe, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc. Pink Pills give a healthy glow to pale and sallow complexions and are a specific for troubles peculiar to the female system, and in the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper, (printed in red ink.) Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you. The public are also cautioned against other so-called blood purifiers and nerve tonics, put up in similar form and intended to deceive. They are imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills may be had of all druggists, or direct by mail from Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y., at 50 cents a box, or six boxes for \$2.50. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other courses of treatment.

LEO XIII., who is now in his 85th year, is the oldest person who exercises a sovereign influence in European affairs, and even those who do not acknowledge his spiritual sway confess that his exercise of that influence was never more wise or salutary than at the present day.

One of the funniest displays of that spasmodic virtue which New York has of late been exhibiting is the floundering of a certain individual who had brought English gold into this country for the purpose of promoting "free trade."

Keep the Works in good order.

NORMAN, Ont., January 15, 1894. W. H. COMSTOCK, Brockville, Ont.

DEAR SIR,—Your "Dr. Morse's Indian Root Pills" are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate as many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the work, and what is the result?—at first, only a slight difference is perceptible in its time-keeping, but wait you; as the obstruction grows, the irregularity becomes greater, until at last, what a confidence wrought by with little trouble, in the beginning, will now require much care in thoroughly cleansing the entire work.

So it is in human life—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little trouble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve vigor and vitality.

Yours faithfully, H. F. ATWELL.

DEAR SIR,—For many years, I have been a firm believer in you "Dr. Morse's Indian Root Pills" as an actual personal experience of their value and merit. My business is such that I spend much of my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills.

Yours, &c., M. R. McLENNAN. A valuable Article sells well. BORACHOIS HARBOR, N.S., Jan. 13, '94. W. H. COMSTOCK, Brockville, Ont.

DEAR SIR,—This is to certify that I deal in Patent Medicines, including various kinds of Pills. I sell more of the Dr. Morse's Indian Root Pills than of all the others combined. Their sales I find are still increasing. Yours, &c., N. L. NICHOLSON.
