*The Chargé d'Affaires ad interim of Canada
to the Acting Secretary of State of the United States of America*

CANADIAN EMBASSY

WASHINGTON, August 20, 1947.

No. 317

SIR,

I have the honour to refer to your note of June 25, 1947, in which you proposed a reciprocal interim arrangement between the Government of Canada and the Government of the United States of America, under which mobile radio transmitting stations licensed by the United States or Canadian Governments could be carried from the territory in which they are licensed into the territory of the other country, without being removed from the vehicles in which such equipment is installed, on condition that this equipment be sealed in such a manner as to prevent its operation while it is in the territory of the latter country.

I have received samples of the seals which United States Customs officials will use in sealing Canadian equipment entering the United States. I enclose samples of seals which will be used by Canadian Customs officials for the same purpose with respect to United States equipment entering Canada.

I am instructed to state that the terms of this arrangement are acceptable to my Government, and that your note and this reply thereto shall constitute the terms of an understanding on the subject between the two Governments.

Accept, Sir, the renewed assurances of my highest consideration.
