Charles River between Waltham and Riverside, — part of official map of Newton and surrounding towns. (Bega of Ingram.)

Survey of Fort of Norumbega.

Numerous tracings of Maps of the sixteenth and seventeenth centuries.

NOTE. — Besides correcting the text of my letter to Judge Daly, as printed in the October Bulletin of the American Geographical Society, I have, in this edition, printed for private circulation, expanded several of the notes, and added some new ones, making suggestions which will, I trust, not detract from the force of the argument as first drawn out. — E. N. H.
