

MONEY STRINGENCY LESS IN EVIDENCE

Rates at New York Ease Further - Foreign Exchange Advanced Abruptly.

NEW YORK, Oct. 8. - Further easing of local monetary conditions was indicated today, over-year banks being called at 7 per cent. Interior banks were also buyers of bonds and other investment issues.

Another abrupt advance in foreign exchange was a natural result of the large purchases of bills made by bankers for remittance to London for payment of 90-day loans contracted last July.

Further large shipments of gold to Ottawa, where they will replenish the credits of the Bank of England, were made in connection with the recent sale of the New York City 6 per cent. notes.

A decrease is noted in the profits of the Lake of the Woods Milling Company for this year, as compared with last year. For the period of 12 months ending Aug. 31 the profit amount to \$507,397.
