

GET READY

To Buy Victory Bonds when the Canvasser Calls

The Victory Loan, 1919, is vital to Canada's prosperity as a nation.

It is therefore the duty of every citizen to subscribe to the utmost.

Toronto must take a leading part.

In order to stimulate competition between the various territories and thus roll up a big total for Toronto, the city has been divided into five districts, as above.

Each District has a Chairman, and teams who will canvass it thoroughly.

Subscriptions will belong to the District in which the subscriber's BUSINESS Address is located.

Help make YOUR District the first to win the Prince of Wales' Honor Flag.

An official canvasser from your District will call. Give him a good reception and your application.

If you wish to subscribe before then, telephone your District Headquarters.

Give YOUR co-operation to make Toronto, as last year, the LEADING CITY IN THE DOMINION.

J. W. MITCHELL,
Chairman,
Toronto Executive Committee
