THE HIT of the Season...

made by Ayer's Sarsaparilla

Just at this season of the year, when the Spring is in full bloom, and the weather is so warm, it is so easy to get into a bad way, and to feel that one is not in the best of health. It is so easy to get into a bad way, and to feel that one is not in the best of health. It is so easy to get into a bad way, and to feel that one is not in the best of health.

The New Gold Town of New Ontario.

On the Main Line of the C.P.R.

The town is filling up with people much faster than they can be accommodated at the hotels and houses. Thousands will flock to The Coming City of Western Ontario this spring. No place in Canada offers such an inviting field for new homes, big business and for fortunate investments. Get posted—and get a stake in the place before the big opportunities for little money are gone.

WABIGOOON

The cut above shows the central lot sub-division of the Wabigoon Land Agency in Wabigoon, in which lots are now offered at \$50 and up, which will be worth \$100 this summer—which may be worth \$1,000 and more within a year. Lots that were sold in Rossland, B.C., for \$50 and \$100 two years ago have been selling readily at \$5,000 to \$10,000 since last fall. And Wabigoon is better than Rossland. It's the centre of the richest gold mining fields in Canada. It's the centre of the finest agricultural district in Canada, and everything within a radius of 75 miles all around is tributary to Wabigoon. Get posted—and your own judgment will convince you that \$50 or \$100 invested in Wabigoon realty now should win you a profit of one or two thousand dollars within a year.

BACK FROM ROSSLAND.

W. A. Campbell, the former Assessor, will spend a day or two here.

W. A. Campbell, until a year or so ago, was a well-known assessor in Rossland, B.C., and was a citizen of Rossland, arrived in the city yesterday, and will remain over for three or four days. As Mr. Campbell got into the Rossland camp on an early date, he has become one of its leading men, having just been nominated there as an alderman candidate.

Talking to the World last evening, Mr. Campbell said that Rossland is in better shape to-day than at any former time in its history, and is bound to be a greater centre yet. And its greatness will come, not only from the development of the Trail Creek, but from the mining operations all over British Columbia's 800 miles of mineral territory.

Mr. Campbell thinks that the successful sale of the Rossland ore from the Le Hol will prove of great importance to the camp. There are thousands of tons of such ore in the camp, hitherto considered "waste," that may now be treated at a profit.

The concert didn't pay.

The special services in Queen-street Methodist Church, which were sponsored by the financially speaking, a losing venture. An April Fool's concert was held in the church lecture room. It was gotten up by the Young Men's Bible Class and an admission fee of 10 cents was charged. The result was a total loss of \$100.

The Crib Week on Fire.

The firemen from Bolton-avenue were called out at 4:45 yesterday morning to extinguish a fire in the crib work on the Don, near Winchester-street bridge, which was first. After a great deal of labor on the part of the men, entirely by hand, with buckets of water, the fire was extinguished.

Kim-Street Methodist Church.

Rev. W. Harold Stacey will close his labors in connection with the evangelistic services in the above church to-morrow, preaching at both services. The Rev. Stacey has been a clear and forceful preacher and has been very acceptable to the congregation that have heard him. A cordial invitation is given to the readers of the World to be present.
