Diseases.

IT IS USED INTERNALLY FOR

Croup, Shortness of Breath, Hoarseness, Sore Throat, &c

Dr. Wilson's Magnetic Ointment is composed of *Valuable Gums, Resins, and Extracts*, all being pure and having a special reference to their virtues and peculiar powers in *subduing pain and inflammation*. It stands pre-eminently at the head of all the Ointments, as it never drives the disease to take effect on the internal organs. Its properties when applied go directly to the diseased parts, and as it passes into the circulation it separates all the poisonous and corrupt humours and attracts them through the perspiring vessels to the surface, and in that way entirely eradicates the disease from the system. In curing

SCROFULA SORES

it has no parallel, having perfectly eradicated this horrible yet common disease after every other remedy had been used in vain. It is simply asked that the afflicted will try one bottle, which will do more to introduce it than volumes written in its favour. Read the following certificate.

North Gower, June 20th, 1864.

MESSES. WOODRUFF, BENTLEY & Co.—Gentlemen—It has fallen to my lot to record one of the most successful and complete cures of *Scrofula* by using only one bottle of your valuable *Magnetic Ointment*. I did think my boy incurable by any medicine, in fact some of the medical faculty stated it would take some years to work it out of the system. I have known instances of similar descriptions entirely cured by the use of your valuable ointment. I cheerfully and cordially recommend it to the afflicted.

I am, yours respectfully,

GEO. KEATING.
