FOUR CONVENTIONS LAST EVENING; THE TONIC THAT

SEVEN CANDIDATES IN THE FIELD

(Gestimated from page 4)
men us chosen would not lose his identity as a liberal, he would be at liberal to vote on fiscal question, he would be at liberal to vote on fiscal question as he saw fit was a liberal, he would be at liberal to vote on fiscal question as he saw fit was a liberal, he would be at liberal to vote on fiscal question as he saw fit was a liberal, and the content of the cont

been a Liberal for the last three months and his platform was Laurier's maniforte.

But he Some one asked for a tried Liberal of candidate.

longer standing.

Dr. Nugent said that difficulty had been experienced in finding a candidate because of the "unionist bug." They had tried fifteen representative men during the day and all had refused because they were unionists.

W. F. Hatheway Nominated.

George Maxwell then nominated W. Frank Hatheway as a business man and as representative of the backbone of the Conservative party, the working man.

Like Taking an Axe To a Corn

Some methods of removing corns suggest an axe. They are harsh. They attack live tissue as well as the corn. And soreness often follows.

About one corn in ten needs a second application. But no corn can resist this new-day method. At least a million corns a month are ended in this easy, gentle way. Users of Blue-jay apply it as soon as a corn is felt. And it never pains again. Some are mussy. Some require frequent applications. All were uncertain, all unscientific,

intil Blue-jay came.

Now, with Blue-jay, you apply a thin protector, which stops the pain at once. In the centeracting on the corn alone—is a gentle, efficient wax. And a you will be amazed to know the pain ways the

the RESULT of indigestion when in reality they are the CAUSE. It is just as foolish to give arti-ficial digestants such as pepsin, etc., to a stomach full of gass and acid as it would be for a man who had etenyed on a teck to rub liningent. stepped on a tack to rub liniment on his foot without removing the

Some stomachs generate too much gas and acid. Gas distends the stomach walls causing a full, bloated oppressive feeling while the acid irri-tates and inflames the lining of the stomach. Naturally the food ferments and sours, digestion is often delayed and stomach misery is the result. Artificial digestents will

various forms be sure to get Bisurated Magnesia for this purpose as it is not a laxative and in this refined form will not injure the stomach in any way.

more gas and produce more trouble at the next meal.

If you are using digestive aids after meals drop them for a while and instead get a few 5-grain tablets of pure bisurated magnesia from any druggist and take two with each meal. Bisurated Magnesia does not digest food but will neutralize the excessive acid in your stomach, keep excessive acid in your stomach, keep the food sweet and will drive the gas and bloat right out of your body. As Magnesia is prepared in
