Entries must be forwarded to the secretary by October 5. New teams in the league this year will be Brock & Peterson's, and Baird & Peter's, replacing the locals from the R. M. S. P. Caraque. The contest ended in a draw as a conclusive result had not been obtained when the time limit, 6 o'clock, arrived. The local team went to bat first and put up a score of 204 runs for the loss of only five wickets. They retired at this point to give the Caraque team a chance to bat. They accepted their opportunity well, as they rolled up a score of 190 with the loss of only one wicket, but the arrival of the time limit saved the locals from defeat and the contest was called a draw. Hudson made 107 runs for St. John and Brathwaite 104 for the visitors. Following the contest the local club members served refreshments.

BOLD BANDITS
CAUGHT IN ACT

Paris, Sept. 30.—A financier named Delisle was the victim of a daring at- tempt by a couple of Italian bandits who tried to chloroform him in a taxi- cab. Delisle had invited a friend to dine at a Montmartre restaurant in order to celebrate the latter's nomination to the Legion of Honor.

After dinner Delisle left the friend, who lived close by, and hailed a taxi.

As he was getting in two young men stepped up and said they were going in the same direction and would he kindly share the cab. Delisle good-heartedly acquiesced.

Soon he felt a sickly odor overcoming him, and he had just sufficient strength to smash a window, which attracted the driver's attention. Seeing that something was wrong, the latter drove up to two policemen nearby, who arrested the bandits. The latter made no trouble. They confessed that they intended to rob Delisle because they had seen a well-filled wallet when he was paying the dinner bill.

CAN'T GET MAN TO HELP WITH FALL PLOWING

St. Thomas, Sept. 30.—Although he found a number of unemployed men in the city who claimed to be looking for jobs, a farmer residing within three miles of this city who came here in search of a man to assist him with his fall plowing was forced to return home alone. He reported that two or three had been half inclined to accept the job, but their attitudes did not appeal to him. Others approached had declined farm work.
