THE JOY OF A FINISHED SHAVE

Only those who have used **Seely's After-Shave** can know the joy of a finished shave.

It is a delightful, soothing, anti-septic lotion which heals the minute scratches of the razor, and makes you feel that you have had a "good shave."

When the face is dry and tender, follow the lotion with **Seely's After-Shave Cream**.

It replaces the natural oil of the skin which has been taken out by soap preparations. Both Lotion and Cream have the same delicate perfume—use them once and you will always use them. Used universally by gentlemen.

For sale at all drug-stores. Lotion 35 cents and 50 cents; Cream 50 cents; Talcum 50 cents.

SEELY, PERFUMER

ported here today. Rogers jumped from the Athletics to the Franklin independents last August.

Must Secure Waivers.
San Francisco, Dec. 26.—Clyde Wares, manager of the Seattle club in the Pacific Coast Baseball League, must secure waivers from the other Coast League members before his sale of "Jimmy" Walsh, outfielder, to Akron, Ohio, will be allowed, so William H. McCarthy, president of the league, has ruled.

In Nova Scotia.
Halifax Echo.—Distance may lend enchantment, but it does not lend a possible chance to Halifax baseball managers to obtain a place in the New England League ranks. It is however possible for the lovers of the game here to see a provincial league if arrangements are started now and the plans for the season are brought to a head. Baseball has been kept alive here by hard work on the part of those interested but it has never really flourished as it should have done. A provincial ball league should be as easily arranged as a provincial hockey league, and since we have no choice to have the latter this season we should make every effort to get the former idea in workable shape.

Cutlop Is Sold.
Salt Lake City, Dec. 26.—Nick Cutlop, left-handed pitcher, has been purchased by the Salt Lake Baseball Club from the St. Louis Americans. Cutlop was with the Kansas City Federals and New York Americans, the latter club sending him to the Browns in a trade.

WRESTLING.
Notes of Interest.
Cyclone Burns has been training hard for the last month and it would surprise nobody to hear the Boston star declare himself as ready to tackle Cadlock if the latter comes East. It would be an ideal match from the standpoint of scientific wrestling, and would be the first time that Burns has ever met a man of his own weight who rates as Cadlock does. The latter depends on his versatility to win. He has been used for years until he found it impossible to get wrestlers of his own weight to meet him.

Jim London and Bill Demetral, Greek heavyweights who have been bitter rivals for years, but who have never met on the mat, have been matched to wrestle to a finish in New York, January 8. Demetral defeated Totafos for the Greek title some time ago and claimed the championship. London also claimed it. The match should settle the question of the title.

A Paramount Picture

She was always "a spoiled child," petted and pampered, her every wish gratified. Now she is broke, flat up against it. On one side are the creditors hounding her for their money. On the other side is the male of questionable character, who offers to pay her bills. It's what she does to that fellow that'll make you think "Men, Women and Money" is one of the best pictures you ever saw.

In remarkable fine interpretation of a role that fits her like a glove.
