LADIES AND GENTLEMEN:

I beg respectfully to state that having on solicited by numerous friends to a candidate at the forthcoming election for the office of Mayor of the City, and having decided to comply with the necre and earnest solicitations so made me, and now beg to inform the electrate that I have been duly nominated at the office of Chief Magistrate of the ity and respectfully solicit your votes distinguished to the mayoralty of the city I a prepared and now promise to determ yentire time to the duties perining to the office, and the general tible interests of the city irrespective prejudice or undue influence from y source whatever detrimental to the y's welfare.

With regard to sport, I have always

y's welfare.
With regard to sport, I have always
en in favor of good clean wholesome
hletics of every kind. My own experie in two or more branches of athme in two or more branches of athc exercises has convinced me that
aleticism is one of the greatest means
developing youths, gives them an initive to live clean lives, for no one can
successful in any branch of sport unss they do so. It gives them proper
syelopment, both from a physical and
ental standpoint, to become the man
tomorrow. We need public playounds for the children and athletic
dis for boys and young men. In fact,
should consider this one of the most
