

8 Nov 45

Ministry of Supply
Berkeley Court
Glentworth St N W 1.

Attn: SH 7 for Mr Woods

RADIOACTIVE MINE DETECTOR

1. The attached letter has been received from HQ, TSPET, Office of the Chief Engineer, regarding Gieger type detector which was in use at their office in Paris and which was left in Paris in order to be close at hand for any further tests which might be required when Tarnaud was eventually found.

2. It will be noted that efforts are being made to determine its whereabouts.
