MORE RATIONAL FEELING ABROAD

E. H. HARRIMAN TALKS IN CHEERFUL STRAIN

Good Crops Are Basis of Prosperity-Views on Financial Situation.

San Francisco, Aug. 7 .- "A more rational feeling prevails throughout the country in the matter of financial conlitions," said Edward H. Harriman the railway magnate, last night, while cussing the question of prosperity New York, N. Y., Aug. 7.—The gold and other subjects of interest to the movement to Canada mounted up to people at large. "I feel that there is the \$4,000,000 mark to-day when the Bank of Montreal made a shipment of With the crops growing and those already gathered, the production in the aggregate will be of greater magnitude and value this year. This is the basis of prosperity. When the farmers sell their crops they will be in the markets to buy and thus help the merchant and manufacturer.

> "The increased cost of material and labor is responsible for a great falling off in railroad revenue. Labor is the basis of the increase. I do not suppose there is a railroad of any importance at present paying a fair return on the money invested owing to the increased cost of maintenance. There must be a decrease in cost or an increase in rates to conduct the transportation business coperly. Railroads assume as much risk, if not more, than other enterprises, and ought to have a fair margin of profit. I am in favor of a compen sation that will meet the better facilities afforded by railroads. I do not think it advisable to make the increas ed rate at this time, but think the peowhere conditions are better understood and that the outcome will be satisfac-
