The Port Election.

The York meeting, which was largely devotional and not on the regular provisional and not on the regular provis at different hours, each member of Conference being on four or more committees, giving time and facility for ensuring, as far as possible, the full and careful consideration of all matters referred to them. The committees ranged in membership from three to over fifty and their reports were largely adopted without much change by the Conference.

In black or not. I have been insulted in wick—a circumstance which will probably account in a great measure for the warmness of the friendship existing between them. Applause.) But I don't think my color makes any difference to God. (Applause.) Husband and wife were ardent believers in the committees ranged in membership from three to over fifty and their reports were largely adopted without much change by the Conference.

work justifying our confidence and our efforts to increase and extend its usefulness. The Guardian, Wesleyan, Magazine, and the Sunday School papers are each to be strengthened and improved during the year. The circulation of the S. S. papers has reached controlled to the same of the controlled to t over 250,000 per issue.

Legislation was carefully considered for more efficient care and training of the young people of our Church, both by society classes, the Sabbath School, and by the increasingly popular Epworth League bringing them into closer touch and sympathy with the Church.

In the matter of Church Union, the action

stream is tota great church, but all the same we don't want you so drag us into a union. We are doing a work for God and preaching a free salvation; and if there never be a union here on earth, I expect to meet President Carman in heaven, where we will shake hands and say as we see all the members of our churches on the eternal shore. 'We helped to bring these to Jesus.' Thank God for the happy thought. (Loud applause.) I was on the mountain to-day, but I never was nearer heaver than this moment. Deep In the matter of Church Union, the action of the standing committee was endorsed. Nacëssary steps were taken to keep in full sympathy with the desire for union and recommending that there be an interchange of pulpils and the recognition of a common brotherhood at the Lord's table of all desiring church union.

On the important question of Temperance the mind of the Conference was clearly and strongly expressed sonarely in favour of

strongly expressed squarely in favour of national prohibition as well as for personal abstinence. It recommended that sincere efforts be made in every constituency in conventions and at the collection of the the

change in his opinions.

conference.

It was decided not to appoint a second General Superintendent in place of the late Dr. Williams. No change was made in the pastoral term. The decision of the task of the Conference in the question of College Federation was re-affirmed by a largely increased majority, and effective steps taken to ensure its being corried out. No change was made in the stationing committee beyond giving the Quarterly Boards a right to be heard by their representative before the committee. The bars were not let down any in the way of greater indulgences for the amusement of the Church. The question of the organization of an order of Deaconesses was let it such annual Conference to do what in its judgment was best in interests of the cause of Gold.

The Mission Work of the Church received a careful and lengthened review—and whilst differences of opinion in questions of policy and administration must exist the Society was proven worthy of the unbounded confidence and enthusiatic support of the Church. The last year's income reached over 220,000 dollars. The fact that last year, even after missionary grants had been given, a deficiency on the estimated salary of 750 dollars existed, to the serious amount of over 110,000 dollars, charging many of the ministers with utterly inadequate support, of the Church. The last year's income reached over 220,000 dollars. The fact that hast year, even after missionary grants had been given, a deficiency on the estimated salary of 750 dollars existed, to the serious amount of over 110,000 dollars, leaving many of the ministers with utterly inadequate support, of the Church. The last year's income reached of the Church. The last year's end of the church of the Church and the serious and the great success and the great success of the Western Book Room, sepecially, naturally gave careful consideration, the extent of the business and the great success of the Western Book Room is steadily pushing on its work you will be the preserve the decision of the control of the control of the control

high trestle work and down the embankment to the main road -Sackville Post.

When Bally was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria
