Company With Capital \$90,000.

Messrs. Samuel Freeze, Doaktown; Isabella, Freeze, his wife, Mathew C. Lodge, Mathew Lodge, Jr., and Arthur E. Williams, of Moncton, are seeking incorporation as the Acadia Tungsten Mines Ltd., with a capital of \$90,000, and head office at Moncton, to engage in the development of tungsten areas near Doaktown recently discovered by Mr. Freeze.

Serious Situation in Chatham Church.

It has been discovered that the screws have been lately removed from the braces which support the pulpit in St. Andrew's church, Chatham, and the braces put back in position, as though nothing had been touched. The screws furnished the support of the pulpit and the structure fallen during service on Sunday it would have killed or seriously injured members of the choir sitting underneath.

Water Is Very Low.

The water in the main river and tributaries is reported to be very low.

River Now Clear Of Ice.
