Temperance Federation Meets

J. Willard Smith Says Govt. Hasn't Spoken Yet

—Plans in View

The meeting of the local branch of the American Temperance Federation held in the W. C. T. U. rooms last evening was fairly well attended. The report of the delegates to the local government meeting asking for prohibition was heard. R. H. Cother reported for the local branch and J. Willard Smith for the provincial federation. Both the addresses were of a hopeful character.

In his remarks Mr. Smith stated that he had not as yet received an answer to the request for prohibition, although he had been awaiting it for some time. He felt that the federation had done all possible to influence the government to grant them prohibition. He considered that the temperance cause had received a great impetus by the meeting with the government.

The federation feel that if the government refuses to grant them prohibition they will seek some drastic amendment to the present law. They are confident that the government will grant them a workable law for the city wards.

At last evening's meeting Messrs. Smith, Cother and Kelly were appointed as a nominating committee to select officers for the ensuing year.

Seasickness

Quickly Cured

"Mother's Milk" quickly cures Sea and Motion Sickness. Guaranteed perfectly harmless to the most delicate. Money refunded if not satisfactory. For sale at Drug Stores and first-class Steamers, or Mother's Milk Co., Ltd., 201 State Street, Detroit.

For sale and recommended in St. John by A. Chapman Smith, G. A. Moore, Royal Pharmacy and G. A. Rieker.

FERDINAND AND CZAR TOGETHER

ST. PETERSBURG, Feb. 23.—Emperor Ferdinand will prolong his stay in St. Petersburg until the end of the week. Although the non-political character of the visit has been insisted upon excellent public resolutions have been accomplished and there is not the slightest doubt of the willingness to recognize Ferdinand as monarch and the Bulgarian independence by Russia. It is believed that Turkey will follow Russia's example within a few days.

Emperor Nicholas and Emperor Ferdinand spent four hours together at Tsarskoe-Selo yesterday, and the Russian emperor met the Bulgarian ruler at the station and saw him off on his return to St. Petersburg.

The meeting of the two sovereigns this afternoon occupied about an hour and a half. Its general nature indicated the possibility of a rapprochement between Bulgaria and Serbia for which the Russian government had been striving. The details of this, however, have not been entered into as Emperor Ferdinand is not accompanied by a responsible minister. The Bulgarian sovereign solemnly stated that he was not bound in any way to Austria-Hungary. His greatest wish was to aid in the preservation of peace.

WILL CONSIDER THE ESTIMATES TONIGHT

A committee of the school board to consider the estimates will take place this evening.

Dr. H. S. Bridges, superintendent of city schools, informed the Star today that the work on the Winter street school building was progressing favorably. Dr. Bridges declared that diphtheria was not so prevalent in the schools as heretofore. During the present week only a few new cases have developed. On several previous occasions the number was very large.

BELGRADE, Feb. 23.—The Serbian Government has given orders that until further notice no passports are to be issued to men under 45 years of age. This measure is to keep all men of military age at home.

MARKED TREE, Ark., Feb. 23.—Six persons were killed, more than a score injured and every public building in the town was wrecked today by a tornado. Wire communication with the devastated area is cut off.

MR. MACDONALD IS WINNER OF TROPHY

Takes the Finals for the Walker Trophy in St. Andrew's Rink

SCORE 6 TO 5

One Tally Made by the Visitors Disputed by Local Team

The finals in the afternoon series were played yesterday afternoon at St. Andrew's rink. Skip C. H. MacDonald winning from John White by a score of 11 to 6. Mr. MacDonald is therefore the winner of the handsome Walker trophy. Competition in yesterday's match was very keen and considerable interest was displayed from the start.

The afternoon matches have been on for some time. Eight rinks participated, and at the close of the schedule the quartet skipped by C. H. MacDonald, S. S. McAvity and John White tied. The semi-final was captured by Mr. MacDonald, who again was the victor in the final.

The result of the competition yesterday was as follows:

S. E. Elkin, C. P. McCavour, Rev. D. Lang, C. A. Gray, J. A. Seads, C. W. deForest, John White, C. H. MacDonald.

There were no trophy matches at the rink last evening.

It is probable that the Thistles will meet the St. Andrew's in the McCaffrey cup series on Thursday evening. Although the Federation may also clash with the St. Andrew's.

The Thistle-St. Andrew's junior match, which has been postponed on several occasions, will also be played during the week. This contest is the third in the series of three and is attracting considerable interest.

Y. M. C. A. CONTESTS

Second of the Series, Held Last Evening, Captured by J. Climo

The second of the series of three contests for intermediate boys was conducted last evening in the Y. M. C. A. hall and was captured by J. Climo, with 303 points.

In the German home competition J. Jones secured first place with 84 points. C. Noble and J. Climo tied for second place with 81, while C. Dobson ranked third with 81 points.

In the pull-ups, J. Climo scored highest with 20 points. L. Dow was second with 15, and H. Lordly third with 14.

F. White captured the high jump contest, clearing the bar at 4 ft. 6 in. F. Knodell and D. Freeman tied for second jumping 4 feet 5 in. J. Chamberlain secured third with 4 feet 2 in.

The remaining events were also interesting. In the aggregate total J. Climo secured first with 303; H. Lordly, 238, and L. Dow, 226. The feature of the evening was J. Climo's performance in the pull-ups.

ON BLACK'S ALLEYS

The McAvity King street team defeated the Canadian Rubber Company in an exciting and close match on Black's alleys last evening by the narrow margin of two pins.

Each team scored two points. The league is now starting on the fifth round and is most interesting.

The result of last evening's match was as follows:

McAVITY, KING STREET, No. 1.	
Henderson	81 67
Daley	73 83
Foohy	83 89
Watters	89 70
Rowley	73 73
	409 387 409 1390

CANADIAN RUBBER CO., No. 6.	
Bogart	82 81
Dobbin	67 70
Doody	68 73
McDonald	77 81
Nixon	79 83
	388 397 418 1198

The league standing is:	
Accountants	13 3
Clerks	13 3
Brokers	12 4
Electricians	11 5
Dunlap Rubber Co.	13 7
Insurance	10 6
S. Hayward	10 6
O. H. Warlock	9 7
J. M. Humphrey	8 8
Grocers	8 8
Ames Holden Co.	4 12
McAvity Foundry	3 13
Canadian Rubber Co.	3 12
McAvity King at store	3 17

WON BY A POINT

FREDERICTON, Feb. 23.—In the afternoon's play of the curling match Fredericton v. Thistles, the home team came out one point ahead. Scores:

Haitt.....12 Fred Shaw.....16
Simmonds.....12 Douglas Malcolm.....16
Tibbitts.....23 Willett.....13

James Doherty captured the weekly roll-off on the Victoria Athletic Club alleys last evening with a score of 98. An interesting match was played on the alleys yesterday afternoon for a bowl of headcheese. The contestants were James Smith, Fred Logan and Fred Kelly. The former finally won out. The match was a rather uninteresting affair and attracted a large number of spectators. At the close Mr. Smith treated those assembled to the headcheese.

FAST GAME LAST NIGHT

Ramblers Defeat All-St. John

SCORE 6 TO 5

One Tally Made by the Visitors Disputed by Local Team

St. John hockey enthusiasts witnessed a fast and clean game of hockey last evening at the Queen's Rink, when the St. John septette were beaten by the fast Ramblers by a score of 6 to 5. The match should have resulted in a tie, but the visitors' goal judge declared that a tally had been made in the second half, when the puck clearly did not enter the nets.

Attracted by the announcement that the Ramblers septette would play on local ice, between 800 and 1000 persons greeted the boys.

That the St. John team is capable of playing the real brand of hockey was shown beyond a doubt. They outclassed the visitors on many points.

H. E. C. Sturges blew the whistle for play to begin at 8.22 o'clock. The boys immediately responded, lining up as follows:

Goal.	Ramblers.
Barton	Point
Inches	McLean
Philps	Cover Point
Clawson	Rover
Kennedy	Centre
McAvity	A. V. Murray
	Right Wing
	Chrisholm

After the face-off play was fairly even. The Ramblers worked the puck into the locals' territory and notched the first goal of the evening after three minutes of play. Another goal was scored by the visitors after the game had been on for seven minutes. Shortly afterwards the Ramblers made their third tally of the evening.

The locals then took a brace to themselves and carried the rubber into the Ramblers' territory. After ten minutes of play H. Clawson in a neat shot made goal No. 1 for the St. John septette. Goal No. 2 for the locals was also notched by Clawson two minutes later.

The half continued fast, the puck being carried from corner to corner. Both men in front of the nets had some hard shots to stop, but showed up to good advantage.

After 22 minutes of play Kennedy made the tally tally for the locals amid loud cheering. Shortly before time was called Patterson added another. The half ended with St. John, 4; Ramblers, 3.

This half was both fast and even, some splendid individual work being shown. Clean hockey was played and not a man on either septette was subject to penalization.

SECOND HALF.

The second half opened with a rush by the local team. After five minutes of fast playing Philipps made goal No. 5 for the locals. About this time Curran was sent to the fence for five minutes for tripping Simpson. The Ramblers then took a brace to themselves and carried the rubber into the locals' territory. After ten minutes of play H. Clawson in a neat shot made goal No. 1 for the St. John septette. Goal No. 2 for the locals was also notched by Clawson two minutes later.

The Ramblers secured their fifth tally of the evening after 21 minutes of play. This tally was disputed by the locals and was clearly not a goal. The visitors claimed that Barton's heels were point the puck into the Ramblers' goal. The goal was secured by the visitors after the game had been on for seven minutes. Shortly afterwards the Ramblers made their third tally of the evening.

The locals then took a brace to themselves and carried the rubber into the Ramblers' territory. After ten minutes of play H. Clawson in a neat shot made goal No. 1 for the St. John septette. Goal No. 2 for the locals was also notched by Clawson two minutes later.

Boils and Pimples

Are caused entirely by the blood being in an impure condition, and the quickest and simplest way to get rid of them is to take a few bottles of Burdock Blood Bitters.

This purely vegetable remedy has cured thousands of cases of these painful and unsightly troubles during the past thirty years.

Mr. S. J. Weil, River View, Ont., writes: "Last summer I had nineteen boils on my neck and back. I was off work for over two weeks. I took every thing I could think of but to no effect. I got a bottle of Burdock Blood Bitters and before I had used half the bottle the boils were gone. I took the rest of it, however, and I have not had a boil since."

Mrs. W. J. Cranston, St. Mary's, Ont., writes: "I was troubled with pimples on my face for a couple of years and tried a good deal of patent medicine, but they were not of much use. Finally I used four bottles of Burdock Blood Bitters and am now entirely cured."

For sale by all dealers.

COL. COOPER STILL ON THE WITNESS STAND

Tells a Long Story in Apparently Unconcerned Manner—Will Tell of the Killing Today.

NASHVILLE, Tenn., Feb. 23.—The sixth day of actual testimony in the trial of Colonel Duncan B. and Robin J. Cooper and John D. Sharp, for the murder of former Senator Carmack, closed with Colonel Cooper still on the witness stand in the middle of direct examination. He had recited his story, beginning four years ago, and had got to the start from his son's office to the governor's mansion when court adjourned. Then his story was continued. It was during this walk that Carmack was killed.

Colonel Cooper appeared collected and disinterested. The only time he showed emotion was when counsel were reading the editorials which preceded the killing. Then his already florid face flushed still more deeply and the scarlet stole up over his bald head, contrasting the whiteness of his hair.

The defense purposes tomorrow to have Colonel Cooper describe the actual killing.

PRESIDENT INTERESTED IN SAD CASE OF LOST BOY

NEW YORK, Feb. 23.—The sympathetic side of President Roosevelt, especially in the family, was shown again today in a letter from him in which he asks the police to do everything they can to find a missing boy, Paul Gearheart, 15 years old, who disappeared from the home of his aunt, Mrs. H. B. Gearheart, in Jersey City on December 15, 1928.

Mrs. Gearheart wrote to the President because she had a faint hope that the lad possibly had been enabled to enlist in the navy, despite his youth, a career he had expressed a preference for.

"If you can find him, Mr. Roosevelt," she wrote, "you will have him treated kindly for his life would already fill a book with sadness."

This sentence strongly appealed to Mr. Roosevelt, for, in his letter, transmitted through Governor Fort, he says: "I am greatly touched by the enclosed appeal. The Ramblers worked the puck into the locals' territory and notched the first goal of the evening after three minutes of play. Another goal was scored by the visitors after the game had been on for seven minutes. Shortly afterwards the Ramblers made their third tally of the evening."

The locals then took a brace to themselves and carried the rubber into the Ramblers' territory. After ten minutes of play H. Clawson in a neat shot made goal No. 1 for the St. John septette. Goal No. 2 for the locals was also notched by Clawson two minutes later.

The half continued fast, the puck being carried from corner to corner. Both men in front of the nets had some hard shots to stop, but showed up to good advantage.

After 22 minutes of play Kennedy made the tally tally for the locals amid loud cheering. Shortly before time was called Patterson added another. The half ended with St. John, 4; Ramblers, 3.

This half was both fast and even, some splendid individual work being shown. Clean hockey was played and not a man on either septette was subject to penalization.

NEW YORK HAS NEARLY FOUR AND HALF MILLIONS

NEW YORK, Feb. 23.—The estimated population of the city of New York is 4,456,555, according to Health Commissioner Thomas Darrington, in his annual report issued today. The increase during 1933 aggregated 175,500 persons. The total number of deaths during 1933 was 7,072. There were 4,410 births reported in 1933 than the year before but there was a drop of 13,598 in the number of marriages.

LIFE INSURANCE CO'S MAY HELP TO LENGTHEN LIFE

NEW YORK, Feb. 23.—The association of life insurance presidents, acting upon the suggestion recently made by Prof. Irving Fisher, of Yale, that the span of life in the United States can be increased 15 years by the addition of practical hygienic reforms today appointed a commission to consider whether the insurance companies should contribute financial support to the campaign of education now being conducted by the committee of one hundred on national health.

RUTLAND, Vt., Feb. 23.—The station of the Rutland R. R. in this city was badly damaged by fire today. The quarters of the office force and of the train dispatchers were destroyed. The damage amounted to about \$10,000. A cigarette stub was thrown among the railroad records in the attic of the station is believed to have caused the fire.

MANY DISEASES ARE RESULT OF EXCESSES

Fine Lecture by Dr. Skinner

PROVES INSTRUCTIVE

Speaker's Theme is "Health, and How to Preserve It"

The Natural History Society lecture on the evening of Feb. 23, was held at the Star Theatre.

The lecture proved a most interesting and instructive one, as was evidenced by the rapid attention of all present. Dr. Skinner showed that many diseases were the result of excesses or abuses of desires or appetites, and that the Psalmist's estimate of the average life was verified by statistics.

The wonderful discoveries re the various microbes which produce diseases were given considerable attention, as were also the rules to be followed in order to avoid contagion and infection.

Although acknowledging that there are several diseases among which are cancer and pneumonia which will baffle the physician, or for which there are really no known remedies, a large number of diseases were referred to which by the carrying out of the latest forms of treatment, can be cured and exterminated.

Malaria and yellow fever were shown to be due to the presence of mosquitoes, typhoid fever to impure water, and tuberculosis to the presence of a germ, nourished by bad air, insufficient nourishment and overwork.

Pure air, sunlight and pure food were stated by the lecturer as the three principal ingredients of health, and it was shown by many references to conditions existing in several places that the heavy death rate was largely due to the absence of all three conditions.

Another matter touched on was the readiness of so many persons to consume patent medicines, many of which were stated to be useless as cures and productive of ill. Some of the cures for intoxication were stated to contain a large percentage of alcohol, which later stimulated for the time, but then their usefulness ended.

The ventilation of churches, public halls and schools received considerable attention, it being pointed out that the school was after the last source of infection.

The lecturer in enlarging on the value of medical inspection of schools and school children showed that in New York, which has the best system in America, a very noticeable decrease in the death rate of children had occurred. At the close of the lecture a very hearty vote of thanks was tendered Dr. Skinner by Dr. Geo. F. Matthews, who presided.
