**THE GREATEST
Medical Discovery,
OF THE AGE.**

Dr. KENNEDY, of Roxbury, has discovered
in one of our common pasture weeds
a remedy that cures
EVERY KIND OF HUMOR
from the worst scurfiness down to a common pimple.
He has tried it in over eleven hundred cases,
and never failed except in two cases,
(both thunder humor.) He has now in his
possession over two hundred certificates of its
value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing
sore mouth.
One to three bottles will cure the worst kind
of pimples on the face.
Two or three bottles will clear the system of
biles.
Two bottles are warranted to cure the worst
canker in the mouth and stomach.
Three to five bottles are warranted to cure
the worst case of erysipelas.
One to two bottles are warranted to cure all
humors in the eyes.
Two bottles are warranted to cure running
of the ears and blotches among the hair.
Four to six bottles are warranted to cure
corrupt and running ulcers.
One bottle will cure scaly eruptions on the
skin.
Two or three bottles are warranted to cure
the worst case of ringworm.
Two or three bottles are warranted to cure
the most severe case of rheumatism.
Three or four bottles are warranted to cure
the salt rheum.
Five to eight bottles are warranted to cure
the worst case of scurfiness.
A benefit is always experienced from the
first bottle and a perfect cure is warranted
when the above quantity is taken.
Reader, I have peddled over a thousand
bottles of this in the vicinity of Boston. I
know the effect of it in every case. So sure as
water will extinguish fire, so sure will this
cure humor. I have never sold a bottle of it
but that sold another; after a trial it always
speaks for itself. There are two things about
this that appear to me surprising; first
that it grows in our pastures, in some places
quite plentiful, and yet its value has never
been known until I discovered it in 181—
second, that it should cure all kinds of humors.
In order to give some idea of the sudden rise
and great popularity of the discovery, I will
state that in April, 1833, I peddled, and sold
about six bottles per day—in April, 1834, I
sold over one thousand bottles per day of it.
Some of the wholesale Druggists who have
been in business twenty and thirty years, say
that nothing in the annals of patent medicines
was ever like it. There is a universal praise
from all quarters.
In my own practice I always kept it strictly
for humors—but since its introduction, and
general family medicine, great and wonderful
virtues have been found in it that I never sus-
pected.
Several cases of epileptic fits—a disease
which was always considered incurable, have
been cured by a few bottles. O, what a mercy
if it will prove effectual in all cases of that
awful malady—there are but few who have
seen more of it than I have.
I know of several cases of dropsy, all of them
aged people cured by it. For the various dis-
eases of the liver, Sick Headache, Dyspepsia,
Asthma, Fever and Ague, Pain in the Side,
Diseases of the Spine, and particularly in dis-
eases of the Kidney's, &c. the discovery has
done more good than any medicine ever known.
No change of Diet ever necessary. Eat the
best you can procure, and enough of it.
Directions for Use.—Adults one table
spoonful per day.—Children over ten years des-
sert spoonful.—Children from five to eight
years, tea spoonful. As no directions can be
applicable to all constitutions, take sufficient
to operate on the bowels twice a day.

THE Nineteenth Annual Meeting of the
Association was held within the Head
Office, on the 31 August, current, in terms of
the Charter and Act of Parliament—Sir
JAMES FORRESTER, BART., of Comiston, in the
Chair.
There were submitted to the Meeting the
Annual Report by the Directors on the Prog-
ress of the business; the Report of the Aud-
itor, Mr. W. Wood, Accountant; and the Bal-
ance sheet, of the Accounts, certified in terms
of the Act of Parliament; with other state-
ments of the affairs, as at 5th April last, the
date of balance.
Notwithstanding the general depression of the
commercial affairs, the progress of the Asso-
ciation during the past year has been greater
than in any other year, with only one excep-
tion.
The applications for new
Life Assurances during
the year were 1247 for £666,483
Of which the Directors ac-
cepted 1007 for 550,244
The Annual premiums being 18,811
Annuitants on 24 lives were purchased for
£752 10s. per annum at the price of 945 7/8.
The Policies that became annuities on the
Association by deaths during the year amount-
ed to 65 for 43,065s.
The Total Assurances since the commence-
ment of the business amount to nearly five
million pounds.
The Annual Income is now one hundred and
thirty-eight thousand pounds; annuities of 430,
000 being collected through the London
Branch.
The Policy Holders entitle to participate
in the Profits, who completed their fifth year
before the date of balance, will be entitled to
a Reduction of 35 per cent. (7s. per lb.) from
their next Annual premium. A Special
of British North America, as well as the ex-
ample of other Assurance Offices, the Direc-
tors have for some time entertained the idea
of establishing Branches there. They have
been established since last meeting to accom-
plish this. A deputation from the Directors visited
the chief towns, and secured the co-operation
of influential gentlemen in each Province.
Although the Branches have been in opera-
tion only for a few months, the transactions
have already been considerable, as well as of
a most satisfactory description. Special
Agents and Medical Officers, who
have already interested themselves much in
the Association's affairs, and through whose
exertions there is every prospect of permanent
success.
The Report by the Board of Directors was
unanimously approved. The vacancies in
the chief offices, were then filled up; and after
special votes of thanks to the Directors at the
Head Office and Branches, and the Agents,
Medical Officers, Manager, &c., the meeting
separated.

Radway's Regulating Pills.
Dr. Radway & Co. have recently discovered
a method for extracting from roots, herbs,
plants and gums, a purgative extract of such
wonderful nourishing power—which they have
combined with RADWAY'S REGULATING PILLS—
that is of these Pills will supply the blood
with the same amount of nutrition as one ounce
of ordinary bread; so that, while the system
is undergoing a thorough physicking, and re-
gulating process, it daily becomes strength-
ened.
Persons afflicted with Liver Complaint,
Dyspepsia, Heart Disease, Paleness of Blood,
and all Females who are subject to Irregular-
ities, Hysteria, &c., are particularly recom-
mended to use these Pills. They are pleasant
to take—elegant in taste—free from
taste, and will not grip, stretch or weaken the
system, or leave the bowels costive. Mothers
nursing should likewise take one or two of
these Pills once per week. They will not only
keep your system healthy and regular, but
will protect your infants against Cramp and
Pains in the stomach, and insure not only a
healthy child, but will invest every child, thus
nursed, with a sweet disposition.
RADWAY'S REGULATING PILLS
