

News of The Churches

PRESBYTERIAN

Rev. Alex. Riddle, of Millerton succeeds Rev. E. E. Mowatt, recently removed to Chipman, as clerk of the Presbytery of Miramichi.

Rev. Joseph Valentine has been appointed ordained missionary to Kouchibouguie, in the Presbytery of Miramichi.

The congregation of Dundas, P.E.I., at a recent meeting decided to invite Rev. Wm. McLeod to accept appointment from Presbytery as ordained missionary among them. Mr. McLeod resigned from New Carlisle in the Presbytery of Miramichi, not long ago, and has been supplying in Dundas for several weeks.

Rev. W. K. Head has resigned the pastoral charge of the congregation of Coldstream in the Presbytery of Truro. The resignation was laid upon the table some time ago, but the Presbytery did not see fit to accept it, choosing rather to grant Mr. Head leave of absence for a short time in the hope that his health would improve. With much regret his resignation was accepted at the March meeting, to take effect after the second Sabbath of April. Rev. J. P. McIntosh, of Onslow is interim moderator of the session of Coldstream. Mr. Head is brother of Rev. H. R. Head, formerly of West John, now of Moosejaw, Sask.

Miss Jane M. Kinney, formerly of Florenceville, N.B., now of Tamsui, P.E.I., has taken advantage of the temporary break in her missionary work there, due to the rebuilding of the Girls' School, to attend a language school in Tokyo, Japan. The government now requires Japanese to be taught in all the schools in P.E.I., and Miss Kinney has undertaken this course in order to fit herself for the work in hand. She has been nearly ten years in P.E.I.

Dr. J. H. MacVicar, late minister of St. Andrew's Church, St. John, left the city, on Wednesday evening, for Montreal, where he will make an extended visit at the home of his mother, before leaving in the late summer or early fall for Honan. His closing services in St. Andrew's Church last Sabbath were a fitting conclusion to a brief, but effective ministry of three years. The kindly words spoken by the people of his congregation at the farewell meeting, and by his brother-in-law, the Rev. J. H. MacVicar, of Montreal, were followed by the kindest memories and best wishes of his many friends.

Rev. Anderson Rogers, D.D., of St. John's Church, Halifax, N.S., who has accepted a call to St. John's Church, Antigonish, will be inducted to the pastoral charge of that congregation, on Tuesday evening, April 6. A few evenings ago, the Presbyterian ministers of Halifax tendered him a complimentary dinner in view of his early departure from among them. Dr. Rogers has during his four years' pastorate in St. John's Church, filled a large place in the religious life and work of the community. The Maritime Synod, which met in Pictou, in 1912 honored him with election to the moderator's chair.

Maritime Home For Girls
In an interesting report of an important meeting of the Assembly of the Board of Social Service and Evangelism held in Toronto, March 16th, the Presbyterians has the following paragraph about the Maritime Home for Girls:

"The superintendent reported on the Maritime Home for Girls, which is jointly owned and operated by the Presbyterian and Methodist Board of Social Service and Evangelism, working through a Board of Governors on which the two responsible Boards have representation to the Anglicans and Baptists. A property of 250 acres of land within the Corporation limits of Truro, N.S., has been purchased, and temporary buildings now in use accommodate twenty-four neglected or delinquent girls that have already been committed to the care of the Home. Education, technical training for home making, is given to the girls, as well as moral and religious instruction. Miss Katherine Day, who took training in St. Christopher's House, and Miss Ratte's Home and the Alexandra Industrial School, is the superintendent. Permanent buildings will be put up as soon as finances will allow. \$30,000 has already been appropriated by the people in the Maritime Provinces for this purpose.

Social Service in Vancouver
At the Toronto meeting of the Board of Social Service and Evangelism above referred to, a unique proposal was considered which opened up new opportunity for the extension of Social Service in the city of Vancouver. First Presbyterian Church in that city find themselves in a "down town" constituency, due to natural shifting of population incident to the growth of the city, and resolve to rebuild at a point nearer to the centre of their constituency. In disposing of their present property they might have followed the usual practice, sold out for \$300,000 and erected a palatial church in a more suitable section with little additional cost. But what did they do? They decided to hand over their whole property to the Board of Social Service and Evangelism to be operated by the Board of Church Settlement work among the large non-Anglo-Saxon population in the neighborhood. The Board unanimously resolved to accept this new call to a large ser-

Suffered Terribly for 15 Years Until He Tried "Fruit-a-tives."

D. A. WHITE, Esq.

Dec. 22nd, 1913.

"Having been a great sufferer from Asthma for a period of fifteen years (sometimes having to sit up at night for weeks at a time) I began the use of 'Fruit-a-tives.' These wonderful tablets relieved me of indigestion, and through the continued use of same, I am no longer distressed with that terrible disease, Asthma, thanks to 'Fruit-a-tives' which are worth their weight in gold to anyone suffering as I did. I would heartily recommend them to all sufferers from Asthma, which I believe is caused or aggravated by indigestion." D. A. WHITE.

For Asthma, Hay Fever, or any trouble caused by excessive nervousness due to impure blood, faulty Digestion or Constipation, take "Fruit-a-tives."

membership will be doubled in a little more than five years." South America has been hard hit by the war. The effects are felt everywhere. The Board of Foreign Missions, generous as it might be, is entirely unable to meet the full demands of the situation. Special help must come from generous friends of the Board of Foreign Missions.

Sunday's Message
Evangelist W. A. Sunday has sent the following message to the Northwestern Christian Advocate:

I am pleased to note that you are emphasizing evangelism in the columns of the "Northwestern Christian Advocate."

To us who are on the firing line, it seems that the moment has arrived for an aggressive nation-wide campaign, and no class of Christians is better fitted by inheritance and training than the leaders and members of the Methodist Episcopal Church to enter actively into this fight for the soul of our country.

Doctor Said She Had Bright's Disease.
DOAN'S KIDNEY PILLS CURED HER.

Bright's disease is a term applied to one of the most serious of all diseases of the kidneys, the symptoms of which are often of a severe character.

Severe pains in the back appear at first and are followed by disturbances of the urinary organs which show that the urine contains a large amount of albumen. Dropsy is also another forerunner of the dreaded Bright's disease.

On the first sign of kidney trouble you should at once put the kidneys right by the use of Doan's Kidney Pills. The pill that cures kidney troubles only.

Mrs. C. A. Heistand, Moose, Alta., writes: "Last May I was taken down sick. The doctor told me I had Bright's disease. My kidneys got so bad I could not rest day or night. The doctor's medicine did not give me any relief. I used four boxes of Doan's Kidney Pills, and they put me in good shape again."

Doan's Kidney Pills are the original kidney pill, so when you ask for "Doan's" do not accept any others with similar names.

Price, 50c per box, or 3 boxes for \$1.35, at all dealers or direct on receipt of price by The T. M. B. Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

demption of society and the perpetuity of the state should be the motto of those of us who go forth as ambassadors of the old-fashioned faith. "The faith of the fathers" which is equally vital to the spiritual health and progress of their sons.

Methodism was cradled in revival; it is the creature of John Wesley's craving for a church—every member of which should know the joy of sin forgiven and the consciousness of being right with God. This is and always has been the only religion worth while.

Assurance of the sonship with the Father has always been central in the preaching of Methodism—as also of all the great leaders of the church, on down to the time of Edwards and Finney and Moody. With this gospel and this heritage, Methodism with her millions of adherents, cannot escape the burden of responsibility placed upon her by Almighty God. She must use or lose her great opportunity according as she is loyal or disloyal to the gospel given her by the spirit of God. Never was an hour more critical! Never were the open doors more numerous! Never were hearts more hungry for this message of reconciliation, "Lift up your eyes and look on the fields already white unto harvest."

Yours for Christ, and the church,

W. A. SUNDAY.
